Club Name	Aero Club
Club Report	As a member of the Aero Club Officers, we are doing perfectly fine. The Aero Club is in discussion with knowing what next step are for fundraising along with becoming more popular.
Upcoming Club Events	On the 8th of December at 4pm-6pm we will be hosting our first ever club party. The party will have food, beverage, along with assistance for this upcoming in event. We will have certain colored wrist bands to identify members from the Aeroclub.
Club Collaboration Events	none

Name	Jaan Figueroa
Chaffey Panther Email	jfigueroa6928@panther.chaffey.edu
Club Name	Anime Club
Club Report	Lasted for 90 minutes (3 to 4:30PM). The club meeting began with a presentation by the Student Government addressing the background, benefits and opportunities available to the student body who wish to join the CCSG, along with information pertaining to the Club Funds and upcoming events (such as Welcome Week and an Awards Ceremony in the Spring next semester). After the presentation concluded, the Club commences with an Isekai game where the players had to guess an anime based on the different locations in a screenshot or a mediocre description from the Club President. After the game concluded, the class finished the first episode of Dr. Stone on YouTube.

Name	Vicente Marfori
Chaffey Panther Email	vmarfori6054@panther.chaffey.edu
Club Name	Chaffey College Engineering Club
Club Report	The Club has held microcontroller sessions in the main club meeting to help people get used to and experience what our microcontroller subcommittee does and can do. We also had a chemical engineer as a guest speaker, in which he talks about his job, what they do and even plays an activity for the audience that puts into perspective how critical errors occur at a job site and how it could have been prevented. We have a new Rocket team leader as well as plans to buy parts for more rockets. We have also finished designing the head of a robot for K.O.D.A. which is a bipedal robot, developed a drive system, and built a camera system for twisted plastic which is for a combat robot that will launch plastic balls at each other and the club even made electric cars.
Upcoming Club Events	Our subcommittees plan to keep operating at the same times as they usually do. Twisted Plastic on Tuesday from 3 to 5pm in room 318 at the LLC, K.O.D.A. on Friday from 5 to 7pm at PS-122, Rocket Team on Tuesday from 1 to 3pm in room 303 in the LLC, Microcontrollers on Monday from 1 to 3pm as well as Thursdays from 6 to 7pm in the library and a study session on Thursdays from 9 to 10:50am. We will also have an electrical Engineer giving a presentation on Friday, November 20th at 1:30pm to 3:30pm at PS-122.

Club Report	The club is doing amazing. We just had our protest march for lgbtq+ rights and everyone really enjoyed participating in all the fun, the week before we held a meeting just for the creation of signs to hold during the protest and everyone got to hold their sign up and share why they crafted it for the protest.
Upcoming Club Events	Next week during our club meeting we are doing a gratitude/potluck it'll be during club hours 2:30-3:30 at Prism AD room 191
Club Collaboration Events	Our next trans support group in collaboration with the Social Wellness and Behavioral Center is coming up on the 19th from 2-3:30. It's being promoted mostly by word of mouth so please reach out to us if you want more information on location or in general. We are also getting a lot closer to our awesome event MORP in collaboration with CCSG, happening on December 11th in MACC room 142. We don't have promotional fliers yet, but please feel free to check the instagram for updates.

Club Report	The club is currently in a great place! We've been working hard to maintain consistent bi-weekly meetings on Thursdays around 1:00 PM while juggling finals, brainstorming sessions, and other responsibilities. We have hosted several successful events this semester, including a LinkedIn workshop, two collaborations with the Legal Society, and various general bonding meetings.
Upcoming Club Events	We are currently in the process of bringing in a guest speaker to host a Personal Finance seminar. Toward the end of the semester, we are also planning a PBA Christmas Connections Event, as well as another LinkedIn workshop, due to the positive feedback and continued demand from our previous sessions. Date/Time/Location: TBD.
Club Collaboration Events	PBA is always looking for opportunities to collaborate with other clubs. Due to strong student interest, we are currently on the verge of partnering with the Women in Law Club to co-host a LinkedIn workshop.

Chaffey Panther Email	vanzaldorosales8184@panther.chaffey.edu
Club Name	Puente Math & Science Club
Club Report	Puente MaS continues working toward strengthening student engagement and building a supportive community for students interested in mathematics and science. The club has participated in activities such as the ofrenda project and has conducted promotional outreach through flyers. However, recent challenges involving event preparation, communication, and officer coordination have affected scheduled club activities. A recent club meeting was canceled because the necessary supplies were not available, and a planned collaboration was also canceled. The club is currently working toward improving communication, clarifying officer responsibilities, and establishing more consistent participation. An upcoming officer discussion is intended to address expectations and identify ways to strengthen the club moving forward.
Upcoming Club Events	Puente Friendsgiving November 19, 2026 2:30-4:30 PM CAA-218, Chaffey College Following Friendsgiving, club officers are expected to meet in CAA-215 to discuss club expectations, responsibilities, and future coordination.

Club Name	WooSTEM
Club Report	We have an upcoming meeting today at 12:30pm in LLC-330 in the Library (LLC-211 is our regular room, but we had to make an adjustment for today due to some booking issues). We meet bi-weekly and our next upcoming meeting will be on Dec. 2nd. We skipped last Wednesday and pushed it to today the 18th because of Veterans Day and the campus being closed. We currently have no upcoming collaborative events, but we are eager to collaborate with other clubs and make some new friends. A collaboration with either the Astronomy Club or the Engineering Club would be awesome. We anticipate organizing for speakers from various STEM fields to present next semester, first we need to officially poll to find out which fields have the most interest.
