
Subject Line: Pass/No Pass Clarification

Hello Chaffey College Student:

In my April 27 update, I noted that the college had extended the deadline for the Pass/No Pass grading option. Please be aware that not every course is eligible for the grading option and that your instructors have no role in making the selection.

To assist you the following [Link](#) on the Chaffey College website provides a list of the courses that allow the Pass/No Pass grading option. If you are enrolled in one of the courses listed, the form to elect this option can be found in the MyChaffey student portal under Admissions and Records forms.

Thank you,

Eric B. Bishop, Ed.D.
Associate Superintendent of Student Services/
Legislative Engagement
