

## **Sociology**

# DUAL ENROLLMENT ACADEMIC AND CAREER PATHWAYS

## **Introduction to the Major and Career Field**

Sociology is the study of society, the social construction of reality and social interaction. Emphasis is placed on how social structure creates inequality based on group membership, such as ethnicity, class and gender. The development and transformation of societies are explored, focusing on social forces such as social conflict, collective behavior, social movements, and organizational and institutional influences.
