The District may employ any qualified individual as a temporary faculty member for a complete academic year, but not less than one semester or quarter during an academic year unless the date of rendering first paid service begins during the second semester or third quarter and prior to March 15th. The employment of these persons shall be based upon the need for additional faculty during a particular semester, quarter, or year because a faculty member has been granted leave for a semester, quarter, or year, or is experiencing long-term illness, and shall be limited, in number of persons so employed, to that need. ([Education Code Section 87481](#))

The District may employ any qualified individual as a temporary faculty member for a complete academic year, but not less than a complete semester or quarter during an academic year. The employment of those persons shall be based upon the need for additional faculty during a particular semester or quarter because of the higher enrollment of students during that semester or quarter as compared to the other semester or quarter in the academic year, or because a faculty member has been granted leave for a semester, quarter, or year, or is experiencing long-term illness, and shall be limited, in number of persons so employed, to that need. Such employment may be pursuant to contract fixing a salary for the entire semester or quarter. No person, other than a person serving as clinical nursing faculty, shall be so employed for more than two semesters or three quarters within any period of three consecutive years. ([Education Code Section 87482](#))

A person serving as temporary clinical nursing faculty may be employed for up to four semesters or six quarters within any period of three consecutive years between July 1, 2007 and June 30, 2014, as long as the hiring of that person does not result in an increase in the ratio of part-time to full-time nursing faculty in the District.

Service as a substitute on a day-to-day basis shall not be used for purposes of calculating eligibility for contract or regular status. ([Education Code Section 87482.5](#)) Additional information regarding faculty member assignments may be obtained from the current collective bargaining agreement.

Screening for temporary faculty shall, insofar as possible, be conducted in accordance with District practices and procedures for employment of regular faculty. In particular, there shall be consideration given to principles of selection that assure the greatest opportunity for
