

## **AP 5210 Communicable Disease**

The District shall comply with all state and federally mandated health requirements relative to infectious disease, including:

- Cooperation with local health officers in measures necessary for the prevention and control of communicable diseases in students and
- Compliance with any immunization program required by State Department of Health Services regulations.

The Student Health Center provides:

- Health education and intervention for communicable disease prevention, including disease reporting to the San Bernardino County Office of Public Health.
- Standard immunizations required and/or recommended for the prevention of communicable diseases.
