We want this event to be either in the Gym or the CAA lobby to have enough room for some food and drinks, games, a photo booth and decorations. This event would a formal attire event. Students would be given the opportunity to hang out with friends and meet other students who are potentially transferring to the same institution.

This event is named "A Night With The Stars" and we chose this theme because we see all our transfer students as shining stars in this vast galaxy. We also pin pointed that many students of this class as well as those coming in the following years, did not get to experience prom and major end of the year events due to COVID.
