CULINARY ARTS

Professional Baking and Pastry

The Culinary Arts Degree and Certificates are designed to prepare student for careers in the culinary field. The design of the program is balanced with developing the hands-on skills of food preparation and the management qualities necessary for a successful career. The program focuses on cooking skills development, problem solving, challenging students to critically evaluate their strengths and improve upon their weaknesses. The program allows students to gain the confidence through hands-on learning. Beginning with introductory courses all the way through to advanced culinary and baking courses, ending with our capstone Bistro Class and Industry Internship. The curriculum was developed in consultation with industry professionals and approved at the state level.

Strong Partnerships in the Community

Our Hospitality & Culinary student's benefit from our strong partnership within the community for both internship opportunities and employment. We are the only college to have an ongoing internship agreement with Kaiser Permanente for the Hospitality & Culinary Arts programs. Many of our interns gain full-time positions upon completion of their internship. Many local employers look to us first when hiring for positions within their departments.
