

Dear Campus Community:

Due to Governor Gavin Newsom's regional stay-at-home order announced today, the Executive Team made the difficult decision to cancel tomorrow's drive-in commencement ceremonies. We are currently in the process of notifying our participating graduates of this change.

Currently, it is not the District's plan to reschedule these events. We will, however, be sending by mail any items we would have given our graduates, such as their ribbon leis and updated programs. While this is a disappointment to the campus community, we know the largest impact of this cancellation is on our graduates, who clearly indicated their desire to celebrate this life milestone with us.

Thank you to the Commencement Committee, our volunteers, and those who planned to attend. If you have any questions, please do not hesitate to reach out to me directly.

Thanks,

Alisha Rosas
Interim Vice President of Student Services
Executive Director of Equity, Outreach and Communications
