9.1 Discussion Item: Senators to report on the following AP/BP's:

As part of 10+2, the attached BPs/APs are being forwarded to the Academic Senate for review and input. The BPs/APs reflect all legally required or recommended language updates as recommended by the Community College League of California (CCLC) Subscription Service. Any CCLC updates are since BPs/APs were last reviewed and approved by the institution. - Dean, Institutional Research, Policy, and Grants, Jim Fillpot

- <u>AP 4236</u> Advanced Placement Credit, Senator Clark-Frize
 - Not discussed during 10.12.21 meeting
- <u>BP 4250</u> Probation, Disqualification, & Readmission, Senators Boboye, Doget, and Tang
- <u>AP 4250</u> Probation Senators Boboye, Doget, and Tang
- <u>AP 4255</u> Disqualification & Dismissal Senators Boboye, Doget, and Tang
 - Senators Boboye, Tang, and Doget recommend the change to gender-neutral pronoun use throughout both AP and BP 4250 (ex: "they" or "their" instead of "he/she").
 - In addition, the recommendation was made to reference or link to the reference material for grade lettering definitions, which is currently listed in the "Academic Information" within the catalog on pages 44-45.
 - The conversation regarding grade lettering definition, usage, and where this information is present within current online documentation both for faculty and students deviated into a separate but equal project for the Academic Senate that will be assigned and worked on in upcoming meetings.
 - Motion for Approval Senator Boboye moved to confirm BP 4250, AP 4250, and AP 4255 with changes to gender neutral pronoun usage and the development of additional explanatory information regarding the grade lettering system. Senator Tang seconded the motion. The motion was approved. 10.12.21, 22Y,0N,0A
- <u>BP 4300</u> Field Trips & Excursions, Vice-President Cotton
- <u>AP 4300</u> Field Trips & Excursions, Vice-President Cotton
 - BP 4300 has no changes recommended. AP 4300 recommended changes to gender-neutral pronoun use throughout AP 4300 (ex: "they" or "their" instead of "he/she").
 - In addition, it was recommended to change "foreign country" to "international destination" or "international location" in order to prevent a perception of Othering of international citizenship.
 - Senator Cotton also showcased that Citrus College currently manages our Study Abroad Program, which raises questions regarding if an AP and BP on study abroad is even necessary since this program no longer exists on our campus.
 - President Watkins also noted that there are states banned by CA state law that are barred from using state funding to go to. Senator Tang and Senator Osburn encouraged the phrasing, "not barred by current law" to be included in the phrasing.
 - **Motion for Approval** Senator Boboye moved to confirm BP 4300 and AP 4300 with changes to gender neutral pronoun use and the semantic changes regarding "international" and "forgein"

language choice. Curriculum Chair Burk-Herrick seconded the motion. The motion was approved. 10.12.21, 22Y/0N/0A.

10. NEW BUSINESS

10.1 Discussion Item: Instructional rationale for Canvas - Spring 2022 face-to-face courses

- Senator Shelton mentioned that there will be caution regarding illness and student attendance to in-person classes. Therefore having material available on the Canvas course shell will be an important element to maintain student interaction with necessary material.
- Senator Encarnacion stated that the impact of students switching to online learning and training themselves to check Canvas regularly, in addition to the heavy mixture of online and in-person courses that will continue to be part of students' reality makes it an easier transition to include online elements and aspects within all courses.
 - Senator Tinsley echoed the statements made by Senator Encarnacion and stated that the DE Committee is focused on this goal.
- Senators Peoples and Cotton emphasized that lab courses do need to remain in-person in order to achieve integrity of the discipline materials, therefore differentiating between using Canvas for instructional elements versus maintaining online gradebooks through Canvas is important.
- Senator Holdiness asked for rationale for why Canvas was not a required expectation for in-person classes prior to the pandemic. President Watkins stated there wasn't a rationale.
- Senator Osburn stated that the word choice of "expectation" versus a "recommendation" or "suggestion" in terms of the contractual obligations and individual faculty freedoms in using or not using online learning management systems.
- Curriculum Chair Burk-Herrick explained the differentiation, from a curriculum standpoint, between an "online course" with in person elements and an in-person course with online elements regarding the gradebook visibility, for example.
- Senator Hijaz echoed the statements of Senator Encarnacion, Senator Tinsley, and Senator Shelton. Senator Hijaz also stated that as a current student having online elements is an important aspect as different individuals have to not be present in-person due to exposures or other illnesses.
- 10.2 Discussion Item: Communication with students regarding UC and Cal State deadlines.
