### **Classified Senate Liaison Report**

### February 16, 2021

- Classified Senate will be awarding student scholarships. We hope to award eight scholarships for \$400 each. The application is planned to go out to students on February 23.
- Classified Senate is working on two resolutions:
  - There is a movement making its way through the state to refer to classified employees as classified professionals. Chaffey has already adopted the use of this terminology on an informal basis. Classified Senate is creating a resolution that seeks to make that nomenclature formal within the District.
  - The statewide Classified Senate, California Community Colleges Classified Senate (4CS), is focusing on diversity, equity, and inclusion as well as anti-racism this academic year.
     Chaffey College's Classified Senate is proposing a resolution pledging our support to that effort.
- Thank you to Robin Witt, Manuel Durazo, and Patty Peoples for attending last week's Classified Senate meeting. We were happy to have you and encourage others to join us as well. Special thanks to Robin for sharing information about elections software. Classified Senate is planning to adopt the same elections software used by the Faculty Senate.

Chaffey College Faculty Senate Support for Lesbian, Gay, Bisexual, Transgender, Queer or Questioning, Intersexual, Asexual or Allied+ Students and Staff

Whereas, The Academic Senate for California Community Colleges is consistent in its unflagging efforts for student success for all students and has a long-standing tradition of support for underrepresented minority students in the State of California;

Whereas, Chaffey College also supports efforts in student success for all gender identities and sexual orientations;

Whereas, Each community college's support of the psychological health of every student in the California community colleges is important;

Whereas, Research demonstrates that prejudice against and the invisibility of lesbian, gay, bisexual, transgender, queer or questioning, intersexual, asexual or allied+ (LGBTQIA+) people has adverse effects on both LGBTQIA+ students and the campus community as a whole; and

Whereas, The invisibility, both by omission and by design, of the LGBTQIA+ community and issues involving curricula, co-curricular activities, and campus practices perpetuates prejudice against and negatively impact LGBTQIA+ individuals and promotes heterosexism;

Resolved, That Chaffey College Faculty Senate reviews their curricula, co-curricular activities, and campus practices for inclusion of LGBTQIA+ community;

Resolved, That Chaffey College Faculty Senate employs appropriate venues to increase awareness of the issues affecting LGBTQIA+ community;

Resolved, That Chaffey College Faculty Senate amend its diversity policy to include gender identity and expression in the policy's description of diversity;

Resolved, That Chaffey College Faculty Senate urges the institution to review their curricula, cocurricular activities, campus practices, employ appropriate venues to increase awareness of the issues affecting LGBTQIA+ community, and

Resolved, That Chaffey College Faculty Senate urges the institution to amend its diversity policy to include gender identity and expression in the policy's description of diversity.
