6. Discussion Items:

6.1. Academic and Career Communities Follow-Up:

6.2. META Updates:

6.3. IGETC/ADT and Communication Studies Discussion Continued:

IGETC Oral Communication Issue

Associate Degrees for Transfer (ADTs) accept either the CSU GE, IGETC-CSU, or IGETC-UC patterns. Note: CSUs require COMSTD 2, 6, or 8 for transfer admission

GE Pattern	Oral Communication (COMSTD 2, 6, or 8)
CSU GE	Required
IGETC-CSU	Required
IGETC-UC	NOT required

The Problem: If an ADT is earned using the IGETC-UC, students will not be accepted at a CSU unless they have completed the Oral Communication (COMSTD 2, 6, or 8) requirement.

Our counselors & degree auditors need clarification on whether ADTs should be awarded to students who have not taken COMSTD 2, 6, or 8.

Proposal: Even though ADTs were initially designed to facilitate transfer to CSUs, Chaffey should award ADT degrees for students who complete IGETC-UC because ADTs are also being used for transfer admission at non-CSU 4 years (e.g. privates, UCs in near future). In addition, all student-facing program information (catalog, major sheets, program pages, etc.) should alert students that they will need COMSTD 2, 6, or 8 for transfer admission to a CSU.
