#### **Course Deactivations: Final Reading**

Brief discussion on the impact of course deactivations for students who have catalog rights occurred during the review of this course. The Committee believes the impact of deactivated courses should be filtered between the Dean and the department. The impact of the deactivated course should be a component of the Dean's review in the local curriculum management system.

#### 6. Discussion Items:

**6.1. Gender Neutral Language in CORS:** The Chair presented the request that Chaffey's CORS have gender neutral language. As proposals enter the review process, the Curriculum Office and the Committee will ensure that gender neutral language is used. The committee voted 23/0/0 to have the Curriculum Office edit CORS for gender neutral language when launched proposals are reviewed.

- **6.2. MATH-42:** The Chair shared with the committee that Faculty Senate requested that MATH-42 return to the Curriculum Office to allow more time for the Math department to discuss the course. The course is not back with the originators but is held in Curriculum Committee Review. The Chair will speak to the Math department to facilitate any changes or concerns regarding the course. The course will go back on the agenda as an update once department conversation concludes.
- **6.3. Transfer Course Policy:** The Committee reviewed the Transfer Course Policy. Suggestions were made to item 1 to include the role of the Articulation Officer in C-ID. Laura Hope suggested that items 5 and 6 are listed as notes rather than criteria. The Committee approved the policy as amended 22/0/0.
- **6.4. English Requisite Language on Non-English Courses affected by Fall 2020 English Placement Process:** The Chair would like the prerequisite workgroup to meet to discuss the English requisite language on CORS in light of the new English placement process.

# 7. Curriculum Workgroups Update:

- **7.1. Handbook-Roles and Responsibilities:** The workgroup presented a draft of the Handbook-Roles and Responsibilities document. The following suggestions were made:
  - 1. On page 25, include a note that Dean and Coordinators should review how courses fit within the Academic and Career Communities and the Academic Maps.
  - 2. On page 26, change the bullets to check boxes.

The Curriculum Office will make the changes and post the Handbook on the curriculum website when completed.

- 8. Curriculum Tip of the Day: The Curriculum Specialist presented a table that displays which substantial changes to course modifications actually constitutes the development of a new course. The Committee requested that this chart be included in the Handbook.
- **9.** Floor Items: The Chair announced that there will be a potluck held for the last curriculum meeting on December 11, 2019.
- 10. Adjournment: The meeting was adjourned at 2:27 p.m.
