

AP 6700 Civic Center and Other Facilities Use

General Provisions

District facilities identified as Civic Centers or as designated public forums are available for community use when such use does not conflict with District programs and operations. Facility use shall be limited to places and times identified by the Superintendent/President or designee, but shall be sufficiently frequent, and available on specific dates and times, so as to allow meaningful use by outside groups. Except as provided in these procedures, or as authorized by law, no organizations shall be denied the use of District facilities because of the content of the speech to be undertaken during the use.

The Superintendent/President or designee is responsible for the coordination and implementation of these procedures. The Superintendent/President or designee shall determine all applicable fees to be charged.

Outside the designated public forum areas, the following shall apply: All user groups shall be required to provide the District with a hold harmless and indemnification agreement acknowledging that they will be financially responsible for any losses, damages, or injuries incurred by any person as a result of their use of the facilities. All user groups shall also be required to provide a certificate of insurance with limits acceptable to the District and/or other proof of financial responsibility acceptable to the District.

Civic Centers

Eligible persons or groups may use District buildings or grounds designated as the Civic Center for public, literary, scientific, recreational, or educational meetings, or public agency meetings, or for discussion of matters of general or public interest, subject to this procedure.

The groups identified in Education Code Section 82542 subdivision (a) will be permitted, "when an alternative location is not available," as described in the statute, to use District facilities upon payment only of the following:

- the cost of opening and closing the facilities, if no District employees would otherwise be available to perform that function as a part of their normal duties;
- the cost of a District employee's presence during the organization's use of the facilities if it is determined that the supervision is needed, and if that employee would not otherwise be present as part of his/her normal duties;

- the cost of custodial services, if the services are necessary and would not have otherwise been performed as part of the custodian's normal duties; and
- the cost of utilities directly attributable to the organization's use of the facilities.

Except as provided herein, other groups shall be charged an amount not to exceed the direct costs or not to exceed the fair rental value of District facilities and grounds under its control. Direct costs shall include costs of supplies, utilities, custodial services, services of any other District employees and contracted workers, and salaries and benefits paid to District employees necessitated by the organization's use of District facilities. Additionally, except for classroom-based programs that operate after school hours and organizations retained by the college or District to provide instruction or instructional activities to students during school hours, direct costs shall also include the costs for maintenance, repair, restoration and refurbishment of college facilities and grounds used by the group.

The District shall maintain a fee schedule adopted by the Governing Board that includes the hourly fee for each specific school facility and grounds.

The following shall be charged fair rental value for the use of District facilities:

- Any church or religious organization for the conduct of religious services, which may be conducted for temporary periods where the church or organization has no suitable meeting place for the conduct of such services.
- Entertainment or meetings where admission fees are charged or contributions are solicited and the net receipts of the admission fees or contributions are not expended for the welfare of the students of the District or for charitable purposes.

The American Red Cross or other public agencies may use District facilities, grounds, and equipment for mass care and welfare shelters during disasters or other emergencies affecting the public health and welfare, and the District will cooperate with these agencies in furnishing and maintaining services deemed by the Governing Board to be necessary to meet the needs of the community.

Rules for Facilities Use

Unless otherwise specified in the application form, requests for use of the District's Civic Center must be made at least fourteen (14) business days in advance of the first date of use being requested. Requests shall be made to the Superintendent/President or

designee on forms provided by the District. Authorization to use the Civic Center shall be based on a reservation system and the priorities for student and other use detailed at the end of this section.

Permission to use District facilities shall not be granted for a period to exceed one fiscal year. No person or organization may be granted a monopoly on any facility.

Overnight camping on District facilities, including in the designated public forum areas, is prohibited. No person or organization may use any District facility for living accommodation purposes such as sleeping activities, or making preparations to sleep (including the laying down of bedding for the purpose of sleeping), or storing personal belongings, or making any fire, or using any tents or other structure for sleeping, or doing any digging or earth breaking, or carrying on cooking activities.

All charges for the use of District facilities are payable seven days prior to the event.

Any persons applying for use of District property on behalf of any groups shall be a member of the groups and, unless he/she is an officer of the group, must present written authorization to represent the group. Each person signing an application shall, as a condition of use, agree to be held financially responsible in the case of loss or damage to District property.

The District may require security personnel as a condition of use whenever it is deemed to be in the District's best interests.

No person applying for use of District property shall be issued a key to District facilities for the purpose of facilities usage, scheduling, and/or rentals.

Future facility requests may be denied on grounds including, but not limited to, abuse or misuse of District property and failure to pay promptly for any damage to District property.

No alcoholic beverages, intoxicants, or controlled substances shall be brought onto District-owned or operated facilities. Persons under the influence of alcohol, intoxicants, or controlled substances shall be denied participation in any activity. The use of alcohol and tobacco products are permitted at the Chaffey College Chino Community Center (a joint use facility between the Chaffey Community College District and the City of Chino) pursuant to the terms and conditions specified in the Chaffey College Chino Community Center Facility Reservation Terms and Conditions agreement. Requisite conditions specified in the Chino Community Center's Alcohol Use Requirements form are strictly

enforced and must be adhered to by all parties who complete a Facilities Rental Contract.

No structures, electrical modifications, or mechanical apparatus may be erected or installed on District property without specific written approval by the Superintendent/President or designee.

All decorative materials, including but not limited to draperies, hangings, curtains, and drops shall be made or treated with flame-retardant processes approved by the State Fire Marshall.

Priority for the Use of District Facilities

The District's prioritization process is on a first come, first served basis. Per Education Code Section 82542, should there be a conflict of multiple applications for facilities usage or rentals, the priority for the use of District Civic Center facilities will be as follows:

1. Student clubs and organizations
2. Fundraising entertainment or meetings where admission fees charged or contributions solicited are expended for the welfare of the students of the District
3. Parent-teachers' associations
4. School-community advisory councils

Procedures related to facilities use are contained in the District's Facility Usage, Scheduling, and Rentals Manual.
