## DID YOU KNOW?

- Many Californians live with family members who have varying immigration and citizenship statuses.
- Our broken immigration system affects more than just undocumented immigrants themselves; it impacts their U.S.-born and lawful resident family members. Fixing a broken immigration system by providing multiple pathways to citizenship is in the national interest and critical to ensure families remain together.

## In San Bernardino County...

- 108K** undocumented
- 130K** U.S. citizens living with undocumented family member(s)
- 32K** Lawful residents living with undocumented family member(s)
