### Club Report

Hello! These past two months have been very busy for CCC, which has been very exciting! During the month of October we had our first club collaboration when hosting a potluck with Marvel club. We also worked with Evolve by connecting them to artists that attend our club that helped with creating graphics for the Stop in for a Spell Halloween event. We also had our first gallery meet up on the 7th at The Broad museum. We also worked with the Wignall Museum by helping to facilitate their Day of the Dead calavera decorating workshop on the Rancho campus. On the 18th we hosted our first Art Walk as a way of practicing for the larger one in November. We also hosted a pumpkin carving day on the 25th as a way of getting into the holiday spirit.

For the upcoming month of November we have a lot of fun activities lined up. We have been getting in contact with other community colleges in surrounding areas in preparation for the Art Walk on the 29th. We are also getting our members to vote on a location for our second and final gallery meet up happening later this month. We also have our second Potluck of this semester lined up for the month, there was a really good excitement level and attendance for the last potluck so it is nice to have another one this month. We also finished off our series of Officer-led Workshops with our meeting this week, it has been very rewarding to see events on the Master Plan for the semester come and go by smoothly. All in all we have been having a lot of fun in our meetings and doing our absolute best to keep up with our scheduled plans!

### Upcoming Club Events

Today November 1st - Officer workshop on Origami led by Misty Robles

November 15th - Thanksgiving Potluck where we are encouraging members to bring food from their culture to share with their fellow club members.

November 18th - Second Gallery Meet Up of the semester, we will be choosing which gallery to meet up at with the members during an upcoming club meeting so I cannot update on the exact location yet.

---

## Club Collaboration Events

November 8th - Collaboration with the Veterans Club in celebration of Veterans Day, we will be coming together to create a community art piece in honor/remembrance of the veterans.

November 29th - Larger Art Walk event in the quad, we are inviting our members, faculty artists, other on campus clubs related to art, as well as other community collages to come put up a table/booth where they can advertise and sell their artwork. We envision this event to be an opportunity for our arts community on campus to foster connections.
