Club Report	<p>As club officers, we have decided to make some changes to the club's goal to reach more people and also continue to improve English skills. These were the agreements:</p> <ul style="list-style-type: none">- Meetings are now online. We are using Zoom.- Meetings are every Saturday at 11:30 am.- An important agreement is to improve our ability to speak in English. For this reason, a club official will bring a topic to discuss in English, this can be about culture, music, art, topics from other classes such as Sociology or Business, among others.- The debate can also start from the reading that a member wants to share with others.- The main goal is to build a safe space to practice conversation in English. Our focus will be to invite more ESL students from Chaffey College.- Due to these changes, it was proposed to update the flyer (attached in this form) and also update the ESL club slides.
--------------------	---

So far, we have held two meetings via Zoom, two consecutive Saturdays in the Spring 2024.

Upcoming Club Events	Our next meeting will be Saturday, February 24 at 11:30 am at Zoom
