Club Report

Name	Andrea Villasenor
Chaffey Panther Email	avillasenor6775@panther.chaffey.edu
Club Name	Chaffey Pre-Med Society
Club Report	<p>Our club is doing good. We had a little bit of a rough start since some of our club officer spots had to be filled given the fact that officers from the previous semester found it hard with school and other activities to keep being a part of it. We have finally caught up and we are back on track with all of our plans and schedules for the rest of the semester!</p>

Upcoming Club Events	<p>Starting today March 6th, every other Wednesday we are having guest speakers who are in the medical field, whether that is doctors, nurses, different programs that are offered by schools and hospitals open for students to apply. These meetings are meant for students interested in the medical field to be able to explore all options of what role they can take on that doesn't have to necessarily include working at a hospital or clinic, this can be medical administration, etc. The Wednesdays that we do not have speakers, we have officer meetings to catch up on what is going on, future plans and ideas that might help us engage greater audiences. These meetings will take place on zoom from 1-2pm. Link and meeting informations are posted on our instagram profile. We are currently also in the process of planning a study hall/tutoring session for science courses like general chem/chem 24a and b, bio classes, anatomy, etc. more towards the end of the semester to help students prep for their final exam and. However, this is still being discussed and nothing has been finalized yet!</p>
-----------------------------	---

Club Collaboration Events	<p>Like mentioned above, we try to have guest speakers who are involved in any role in the medical field that can come join us on zoom and share their experience, their work, what they did to get there and also those who offer opportunities for students interested in the field.</p>
