

Collegiate Voter Connection

NAACP PV
Pomona Valley

REGISTER TO VOTE!

Who are we?

We are a partnership between the NAACP-Pomona Valley and 11 Regional College Campuses. The CVC works together as a regional collaboration of colleges and universities whose aim is to promote nonpartisan voter education, expand voter registration, and increase voter participation among the student populations within the regional sphere of the NAACP-PV. We believe that the student voice matters and we are dedicated to connecting students to their civic responsibilities and opportunities.
