457 Loans

The US Tax Code requires that 457 plan loans be limited to the lesser of \$50,000 or 50% of the participant's account balance. This limit must include all loans for all account and all plans of the employer (i.e. 401(a), 403(b), etc.) The \$50,000 or 50% limit must also be calculated based on the highest outstanding loan balance during the previous 12 month period.

To request a loan from your 457 account(s), please complete the 457 Loan Request form and provide copies of your most recent account statements to Chaffey College's Authorized Individual. If you have had a loan in the previous 12 months, you will be required to provide a copy of your statement showing the highest balance of your loan during the previous 12 months.

To comply with Internal Revenue Service (IRS) rulings governing 457 plans, by signing this form, you acknowledge that the information you provide will be verified by Chaffey College by contacting the 457 investment provider from which you are requesting the loan, as well as any other investment provider that you may have an account balance through the Chaffey College.

Important Note: *Chaffey College is not licensed nor does it provide investment, tax or legal advice. The term Approved Provider, in no way shall be interpreted that the District has endorsed any provider or any investment vehicle. Approved Provider simply indicates that a Provider has completed the necessary agreements with Chaffey College to have its name be added to the list of investment options under Chaffey College's 457 Plan. Please consult your tax and/or legal advisors for any ramification resulting from your request to execute any of the above mentioned transactions. Chaffey College has provided the above definitions as a general guide based on our general understanding of the rules and regulations of 457 plans and the information herein shall not be constituted as providing any specific tax, legal or investment advice.*
