

Dear Campus Community,

Based on a local rise in COVID-19 cases, Chaffey College will be reinstating its mandatory face covering policy for all students, faculty and staff regardless of vaccination status effective **June 28 through July 29**.

District-approved face coverings (three-ply, K- or N-95 masks) are required to be worn when interacting with the public and when inside any Chaffey College facility or District-affiliated worksite except when working alone in one's own office.

Faculty will be provided with a classroom resource guide by Monday June 27.

Our goal is to remain proactive and combat the spread of the virus. We will continue to monitor cases throughout July and will follow-up with future direction before July 29. If you need additional information, please contact your supervisor.

Thank you for your continued support and cooperation.

Sincerely,

Henry D. Shannon, Ph.D.
