Board Meeting Date

TOPIC **CURRICULUM MONITORING REPORT**

Communication No. IV.D.2.a

SUPPORTS BOARD POLICY

BP 4020 Program, Curriculum, and Course Development – The programs and curricula of the District shall be of high quality, relevant to community and student needs, and evaluated regularly to ensure quality and currency. To that end, the Superintendent/President shall establish procedures for the development and review of all curricular offerings, including their establishment, modification or discontinuance.

ACTIVITIES THAT ADDRESS THE BOARD POLICY

AB 1725 and Section 52300(c) of Title 5 define the role of the Faculty Senate in assuming primary responsibility for making recommendations in areas of curriculum and academic standards. The Curriculum Monitoring Report provides a summary of the 2019-20 actions of the District’s Curriculum Committee.

MEANS OF ASSESSMENT

The detailed report is attached.

SUMMARY OF EVIDENCE

During the fall 2019 and spring 2020 terms, the Curriculum Committee reviewed proposals for:

- 56 New Courses
- 781 Course Modifications
- 530 Distance Education Courses
- 1 Course Reactivation
- 46 Course Deactivations
- 7 New Programs
- 54 Modified Programs
- 5 Deactivated Programs

USE OF RESULTS FOR PLANNING

In addition to completing the above curriculum review, the Curriculum Committee has been working to ensure that all curriculum has been reviewed in accordance with the appropriate six-year cycle.

2019-2020 End of Year Curriculum Monitoring Report (June 2020)

AGENDA ITEM
Chaffey Community College District
GOVERNING BOARD

(Information)

June 25, 2020

Board Meeting Date

TOPIC GRANT DEVELOPMENT AND MANAGEMENT OFFICE MONITORING REPORT

Communication No. IV.D.2.b

SUPPORTS BOARD POLICY

Board Policy 3280 Grants – The Governing Board shall be informed about all grant awards received by the District. The Superintendent/President shall establish procedures to assure the timely application and processing of grant proposal applications and awards, and that the grants that are submitted directly support the purposes of the District.

ACTIVITIES THAT ADDRESS THE BOARD POLICY

2018-19 was a productive year, as the Grant Development and Management (GDM) Office partnered with District staff, faculty and leadership to maximize opportunities to generate funding and further the growth and development of the College. During the 2018-19 fiscal period Chaffey College generated a total of \$9,086,668 in grant and contract awards. Of those, 11 Competitive (NEW) grants were awarded totaling the amount of \$2,896,806. In addition, Chaffey College generated a total of \$474,142 in Competitive (RENEWED) grants. A total of five awards were secured in this category. Finally, Chaffey secured a total of (17) Contracts, Fee for service, and Formula Based awards. The total amount generated for the year in this category was \$5,715,720.

MEANS OF ASSESSMENT

Grant-related board agenda items from July 2017 through June 2019 were identified. Governing Board agenda items provided pertinent background information and budget implications for each grant opportunity. Governing Board approved competitive grant opportunities are identified in the attachment.

SUMMARY OF EVIDENCE

The sixteen competitive and renewal grant opportunities and seventeen contracts, fee for service, and formula based awards approved by the Governing Board in the 2018-19 fiscal year generated a cumulative award amount of \$9,086,668.

USE OF RESULTS FOR PLANNING

The District is actively pursuing future grant opportunities. The District has on staff a full-time grant development and management director to identify future federal, state, local, and private funding opportunities. The grant development and management director has identified a number of subscription services, search engines, and funding databases that enhance the District’s ability to identify funding sources and opportunities.

CHAFFEY COLLEGE GRANT DEVELOPMENT AND MANAGEMENT OFFICE AWARDS AND CONTRACTS REPORT

FISCAL YEAR 2018-19

SUMMARY

Under the umbrella of the Office of Institutional Research, the Grant Development & Management (GDM) Office was founded in 2011 to establish best practices for pursuing grant opportunities and ensure good stewardship of grant funds awarded to the college. The Grant Development and Management Office is the central hub for pre- and post-award grant activities and is responsible for the coordination, development and submission of grant applications on behalf of the Chaffey College District. By teaming with staff, faculty and district leadership, the GDM office helps to secure external federal, state and local funding that helps guarantee that all students have a fair, equal, and significant opportunity to obtain a high-quality education.

Supplemental external resources are essential to help offset planning, implementation and operational costs district-wide (both instructional and non-instructional) and to level the playing field for traditionally underserved and marginalized populations. For the current fiscal year **(2018-2019)** the district has secured **\$9,086,668** in external funding, with the GDM Office playing a critical role in providing on-going pre and post award guidance and technical assistance. The GDM office helps improve, expand and support district operations in the following ways:

- Provides year-round guidance and technical assistance in securing external resources helping to contribute to a more diversified revenue portfolio for the institution;
- Provides support to each of the district's instructional schools, as well as, various student clubs on how to develop strategic resource development plans and implement effective grant writing/fundraising campaigns;
- Provides technical assistance with pre-award grant planning, program design and budget development;
- Provides post-award technical assistance with grant implementation and program compliance, budget and program modification requests, annual renewal applications and review and creation of sub-awardee, partner and subcontractor grant related contracts and service agreements, as needed;
- Serves as an additional connection to external partners (e.g., feeder secondary and postsecondary school staff and leadership, community-based organization staff and leadership, local city government officials, as well as, state and federal representatives). Uses these relationships to gauge local and national trends and provides input and recommendations to district leadership on potential funding directions and initiatives;
- Provides support to district leadership, faculty, staff and FIT groups by researching, maintaining and providing access to peer reviewed and scholarly research papers on potential models and best practices impacting and influencing instruction, supplementary student services, and service delivery to traditionally underrepresented and specialized populations;
- Assists with the review, modification and creation of administrative procedures related to the procurement and managing of grants; and

FISCAL YEAR 2018-19

- Helps to ensure district maintains compliance with federal, state and local regulations: e.g., Education Department General Administrative Regulations (EDGAR), The Office of Management and Budget (OMB) Uniform Guidance, Code of Federal Regulations (CFR) and California Code of Regulations (CCR).

In addition, the Director of Grant Development and Management serves on multiple district planning and oversight committees, including: Enrollment and Success Management; President's Equity Council; Resource Allocation Committee; and College Planning Council. Participation in these committees, and other forums, helps to provide first-hand information on institutional strengths, as well as, growing needs of the college community. In turn, this information and knowledge is then utilized by the GDM Office who serves as a formal strategic planning and vetting mechanism for the college and helps ensure that all external funding requests align to the goals, objectives and overarching mission of the College. In this manner, the grant procurement process now takes a more strategic and proactive approach to seeking external resources.

2018-19 Funding

This final report provides an overview of the grants and contracts secured by the District during the 2018-2019 fiscal year **and represents the collective efforts of many key schools and departments**, including but not limited to: InTech Regional Training Center, Economic Development, Student Services, Office of Instructional Effectiveness, Center of Excellence, Strong Workforce Program, Business & Applied Technology, Health Sciences, Disability Programs and Services, and Child Development. The following categories are addressed within the report:

- **Competitive (NEW)** – Federal, State and Local awards that are new to the district or are a result of new round of competitive funding. GDM Office's primary area of focus and support for the District.
- **Competitive (RENEWED)** – Federal, State and Local awards that originated as a result of a competitive grant process and require an annual renewal/recertification process. GDM Office's secondary area of focus and support for the District.
- **Contracts, Fee for service and Formula Based** – Typically State, County or other local funding based on service agreements and/or contracts with funding agencies. Support and Technical Assistance provided by GDM Office, as needed.

2018-19 proved to be another extremely productive year, as the GDM Office partnered with district staff, faculty and leadership to maximize opportunities to generate funding and further the growth and development of the College. **During fiscal year (2018-19) Chaffey College has generated a total of \$9,086,668 in grant and contract awards.** Of those, **(11) Competitive (NEW) grants were awarded totaling the amount of \$2,896,806.** The following are just a few of the awards: Sector Navigator – Energy (Efficiency) & Utilities Grant; Enrollment Growth Associate Degree Nursing Retention Grant; California Apprenticeship Initiative-New And Innovated Grant Program RFA 18-191; Child Development Center 2018-2022 Child Care Access Means Parents In

Sector Navigator – Energy (Efficiency) & Utilities Grant | **\$372,000** | **1 Year** |

In response to the Chancellor’s Office campaign, Doing What Matters for Jobs and the Economy, the purpose of this grant funding is to supply in-demand skills for employers by convening statewide industry employer led skills panels and advisory groups to create relevant career pathways and stackable credentials, promote student success, and place Californians into open jobs. Key activities under this framework include: a focus on statewide priority/emergent sectors and industry clusters in the area of Energy Efficiency & Utilities; take effective strategies to scale statewide; integrate and leverage programming between funding streams; promote common metrics for student success; remove structural barriers to execution.

Enrollment Growth Associate Degree Nursing Retention Grant | **\$199,958** | **1 Year** |

This grant provides funds to offer and promote enrollment and training for beginning nursing students who want to become registered nurses (RNs) at the associate degree level for both younger and older students, including those persons returning to school. Another primary mission is to advance California’s economic growth and global competitiveness through education, training, and services that contribute to continuous workforce improvement.

California Apprenticeship Initiative-New and Innovated Grant Program RFA 18-191 | **\$700,000** | **5 Year** |

In response to the Chancellor’s Office campaign, California Apprenticeship Initiative, the purpose of this grant funding is to strengthen current Chaffey-certificated apprenticeship programs that have been registered through the California Division of Apprenticeship Standards in the occupations of Industrial Maintenance Electrician and Industrial Mechanic by engaging more employers and potential apprentice candidates. Key activities under this framework includes: curriculum research and development; recruitment and enrollment of underrepresented populations; marketing apprenticeship information to industry employers; delivery of fast-paced, intensive classroom and hands-on training; and administrative tracking of employer acceptance agreements, on-the-job training monitoring, apprenticeship agency records and apprenticeship agreements.

Child Development Center 2018-2022 Child Care Access Means Parents In School Program (CCAMPIS) Grant | **\$757,888** | **5 Year** |

The United States Department of Education/Office of Postsecondary Education designed a program to support the participation of low-income parents in the postsecondary education system through the provision of campus-based childcare services. The Higher Education Act of 1965, as amended, authorized the Secretary of Education to award grants to institutions of higher education to assist in the institutions in providing campus-based childcare services to low-income students. An institution will be eligible for a maximum grant award equal to 1 % of its Pell Grant disbursement.

This award begins a new four-year funding cycle which allows for the following activities:

- *Support a campus-based childcare program for toddlers and pre-school primarily serving the needs of low-income students at the institution.*
- *Sponsorship of 15 toddlers and 10 CCAMPIS funded preschool children.*
- *Expansion of hours by one hour per day Monday-Thursday and two hours on Fridays for the toddler program.*

- *Extended hours better accommodate students enrolled in early evening courses and align service hours to our standard scheduling block.*
- *Parent education, nutrition and other support services to support the development of healthy families.*
- *Allow Pell grant eligible student parents to utilize an emergency drop off program to attend impromptu tutoring, study group meetings and other school related activities that fall outside of their regularly scheduled CDC drop-off times.*
- *Pay for teaching personnel in the Toddler/Pre-school program and support Child Development students who are working in the Child Development Center.*

Center of Excellence for The Inland Empire/Desert Region - Contract Agreement Between Riverside Community College District On Behalf Of Moreno Valley College And Chaffey College For Support Of The Strong Workforce P15 Regional Data Analysis And Alignment Project	\$331,085	2 Year
---	------------------	---------------

Integral to the Economic and Workforce Development Program (EWD) and the Strong Workforce Initiative, the Centers of Excellence for Labor Market Research (COE) serves as labor market and data resource experts for educational and industry stakeholders. COEs provide real-time labor market research and data that is validated by industry partners to connect businesses with the community colleges and economic development professionals and advance the workforce mission.

The scope of this project will cover the following six data deliverables and technical support objectives: 1) Annual CTE report for each of the 11 regional colleges participating on the project; 2) Collaborate with the Career Technical Education Outcome Survey (CTEOS) research team at Santa Rosa Jr. College to develop methods to increase the number of alumni survey results; 3) Write and conduct a new college student survey to obtain educational objectives of incoming CTE students; 4) Host regional data meeting with research analysts and institutional researchers throughout the region to improve data results; 5) Provide code alignment support for the 11 Desert/Inland Empire region colleges participating on this project; 6) Conduct a high school student survey to track secondary to postsecondary education pathways. The COE will conduct these services at multiple locations throughout the region. To meet the increased workload capacity of this Strong Workforce project, the COE will hire two part-time research analysts.

Supplemental Award for Title V (HSI) Grant – FY 2018-2019	\$109,240	1 Year
--	------------------	---------------

Chaffey College successfully competed for a supplemental grant award to support financial literacy curriculum development and related support for our Hispanic student population, and was awarded a total of \$109,240 for the fourth year of the grant (October 1, 2018 – September 30, 2019). The supplemental funding request will support creation of curriculum for financial literacy, a financial literacy outreach worker, supplies and materials for community outreach, instructional materials, the ECMC financial literacy program and default prevention service, mileage to develop transfer agreements, professional development to instruct financial literacy, and professional development in teacher education/financial literacy.

Center of Excellence (COE) for Labor Market Research Desert Region / Inland Empire Grant Agreement 18-305-006	\$100,000	6 mos.
--	------------------	---------------

Integral to the Economic and Workforce Development Program and the Strong Workforce initiative, the mission of the Centers of Excellence for Labor Market Research (COE) is to provide quality labor market data and information to help the California Community Colleges respond to local workforce needs. The

FISCAL YEAR 2018-19

COE supports the colleges by producing labor market reports for new and existing programs of study, providing on-call data support for investments funded through statewide programs (such as Strong Workforce), facilitating workshops on how to use labor market information, collaborating on the development of data tools and dashboards, and serving as a research advisor to regional educational institutions, workforce agencies, or other community partners. The COE hosted at Chaffey College is receiving a six-month grant award of \$100,000 to support the Center of Excellence for Labor Market Research initiative serving the 12 local community colleges in Region F.

Deputy Sector Navigator, Advanced Manufacturing Grant	\$200,000	1 Year
--	------------------	---------------

In response to the Chancellor’s Office campaign, Doing What Matters for Jobs and the Economy, the purpose of this grant funding is to supply in-demand skills for employers by convening regional industry employer led skills panels and advisory groups to create relevant career pathways and stackable credentials, promote student success, and get Californians into open jobs. Key activities under this framework include: a focus on regional priority/emergent sectors and industry clusters in the area of Advanced Manufacturing; take effective strategies to scale statewide; integrate and leverage programming between funding streams; promote common metrics for student success; remove structural barriers to execution.

Advanced Manufacturing Industry Specific Projects in Common (ISPIC) Grant	\$64,000	1 Year
--	-----------------	---------------

The California Community Colleges Chancellor’s Office (CCCCO) reserved \$4M to be accessed by Sector Navigators (SNs) as “Industry Sector Projects in Common” (ISPIC) that support programs in multiple regions. Each SN can be granted up to \$400K to help scale successful programs statewide, provided matching funds of an equal value are committed from the Strong Workforce Program (SWP), Adult Education Block Grant (AEBG), or Perkins sources. The Energy, Construction, and Utilities (ECU) Sector received commitments of \$4.9M, qualifying for the full \$400K. ISPIC funds will be used to benefit colleges with ECU sector programs statewide. The plan is to contract for statewide services that will enable scaling, although some of the funds may be allocated to specific colleges.

COMPETITIVE (RENEWED)

Renewing Communities Project Grant 2018-2019 – Amendment 2	\$119,000	1 Year
---	------------------	---------------

Chaffey College was granted a renewal for the third year of the 2016 Renewing Communities Project grant to continue to build upon our existing relationship with California Institution for Men (CIM) by expanding credit and non-credit course offerings at this location.

Project activities/services include 1) In-person, classroom-based instruction that supports the completion of an Associate Degree for Transfer (ADT) in Arts and Humanities and in Business/Logistics Management; an Associate Degree in Business (emphasis in Small Business Entrepreneur); stackable credentials in Professional Skills, Logistics Management, and Controls Systems Technology; and XL coursework leading to transfer credit recognized by both the University of California and California State University systems. 2) Job training and readiness assessment, workshops and counseling; 3) Internships and job placement; 4) Academic, personal and career guidance & behavioral awareness; 5) Acquisition of equipment and supplies necessary to support instructional programs offered within the prisons; 6) Development of an intranet for use in CIW and CIM; and 7) A rigorous assessment.

FISCAL YEAR 2018-19

Deputy Sector Navigator Augmentation #2 | **\$35,000** | **1 mo.** |

The purpose of this funding is to respond to the Chancellor’s Office “Doing What Matters for Jobs and the Economy” framework, which is designed to supply in-demand skills for employers, create relevant career pathways and stackable credentials, promote student success, and prepare Californians for open jobs. This funding will be used to respond to the statewide need within this industry sector to act as a workforce systems integrator, identify and connect needs and resources, and design and respond to outcomes that directly and indirectly move the needle on student success and student wage gains within the sector.

California Community Colleges Innovation Maker 3 (CCC Maker) Grant | **\$250,000** | **1 Year** |

Sierra Joint Community College District received funding for the purpose of performing work for the project entitled CCC Makerspace Initiative, and as the fiscal agent, is sub-contracting with Chaffey College to perform some of the grant responsibilities. The Chancellor’s Office has indicated that this is a two year Implementation award at \$250,000 per year. The year two funding of an additional \$250,000 was contingent upon successful progress made in year one.

Chaffey College qualified as one of the 37 colleges eligible to participate in the CCC Maker program, a statewide initiative of the California Community College Chancellor’s Office CCC Innovation Maker3 Grant (CCC Maker), developed under the Doing What Matters for Jobs and the Economy framework. This initiative is designed to accelerate the development of 21st century curriculum, increase the attainment of STEM/STEAM certificates and degrees, improve alignment of skills to employer needs, and contribute to increased entrepreneurship, economic growth and job creation. The CCC Maker program will support community colleges in launching unique makerspace strategies focused on students, faculty, industry and the community.

Upward Bound Program (UB Year 2- 5734) Amendment 01 | **\$42,508** | **1 Year** |

The Consolidated Appropriations Act, 2018, Pub. L. 115-141 provided an additional \$60 million to all Federal TRIO Programs. On August 28, 2018, the U.S. Department of Education sent out notifications to all Upward Bound grantees that they were allocated a 4.25 percent across the board increase from 2017 funding levels. The additional 4.25% equals \$17,655 in additional funds for the 2018-2019 fiscal year.

Additionally, the Department of Education sent out an invitation to all Upward Bound grantees to submit a proposal for a one-time supplemental award to increase STEM focused activities in the existing Upward Bound grant that align with the Secretary’s supplemental priorities for discretionary grant program that were published in the Federal Register on March 2, 2018 (83 FR 9096). On September 28, 2018 the Upward Bound program at Chaffey College was notified that they had been awarded a supplemental award for the program of \$24,853 for the 2018-2019 fiscal year.

The Upward Bound Program at Chaffey College was initially awarded \$257,500 for project year 2018-2019. This action approves the additional 4.25% (\$17,655) increase plus \$24,853 supplemental STEM award for a combined total increase of \$42,508 for the 2018-2019 fiscal year.

---	------------------	---------------

The 2018-19 State Budget, under the auspices of Assembly Bill 104, appropriated five hundred million dollars to the California Community College Chancellor's Office (CCCCO) to provide funding to support adult education. AB 104 dedicates these appropriations to regional adult education consortiums, the distribution of which is determined by consortia plans that focus on expanding and improving education and workforce services for adults. From July 1, 2015, consortia, consisting of K-12 school districts, community college districts, and other partners developed three-year regional education and workforce service plans for adults. The 2018-19 State Budget extends the funding for these plans for a fourth year, with the direction to continue services implemented through the three-year consortia plans. There are no matching funds required or impact to other funding or services at Chaffey College. These additional funds will contribute to continuing the employment of the Director of Adult Education and High School Partnerships, the Administrative Assistant II for the office of Adult Education and High School Partnerships, as well as Adult Education Block Grant programming.

The West End Corridor Consortium maintains a consortium-wide account for the purpose of managing and carrying out consortium-wide activities for the achievement of goals per the regional plan. These consortium-wide funds are allocated to and expended through the fiscal agent and reflected as such in the 2018-19 CFAD. The Chaffey Joint Union High School District will continue to serve as the fiscal agent for the West End Corridor Consortium.

Child Development Training Consortium Agreement	\$7,500	1 Year
--	----------------	---------------

Chaffey College has participated in the Child Development Training Consortium program on an annual basis since 1993. These funds will provide direct financial support for the tuition to child development students who are enrolled in courses required by the California Commission on Teacher Credentialing. The funds may also be used to pay the fees to obtain a new or renew a child development permit. The grant, under the direction of Christina McPeck, provides educational stipends and other items, such as instructional supplies, for the students in the college's child development program.

Employment Training Panel (ETP) Agreement	\$949,954	1 Year
--	------------------	---------------

The Employment Training Panel provides financial assistance to California businesses to support customized worker training to: Attract and retain businesses that contribute to a healthy California economy: provide workers with secure jobs that pay good wages and have opportunities for

The Regents of The University of California Puente Project And Chaffey College Agreement No. 18-Puente-CC-05	\$25,000	3 Year
---	-----------------	---------------

Chaffey College has partnered with the Regents of the University of California, Puente Project to increase the number of educationally disadvantaged students who enroll in four-year colleges and universities, earn degrees, and return to the community as leaders and mentors to future generations. This program supports the agreement between the California Community Colleges and the Regents which calls for increased transfers to the University and expansion of Puente. If sufficient funds are not appropriated by the State of California for this Program, or if funding for any fiscal year is reduced or deleted, this Agreement shall either be cancelled pursuant to the applicable Agreement termination provisions or amended to reflect a reduction in funds.

General Child Care & Dev Programs (CCTR-8190) Amendment 01	\$85,920	1 Year
---	-----------------	---------------

On July 2018, the Governing Board approved contract CCTR with the California Department of Education (CDE) in the amount of \$359,385. The CDE has amended the contract by increasing the maximum reimbursable amount by \$85,920, due to MRA increase from \$45.44 to \$47.98.

The CDE has amended the contract by increasing the maximum reimbursable amount by \$19,677, due to the minimum days of enrollment increasing from 7,439.0 to 7,453.0.

California Community Colleges Broadband Connectivity Equipment Grant for Chaffey Community College District	\$50,000	1 Year
--	-----------------	---------------

A mini-grant of \$50,000 is being offered under the California Community Colleges Broadband Connectivity Equipment Grant project to provide each successful applicant college financial assistance with the funding of equipment that may be needed to facilitate 10 Gb circuit upgrades involved with connecting the CENIC network post-router to the college network.

Chaffey’s mission as a college is dependent on Internet connectivity. Demand for bandwidth is increasing as mobile devices and smart devices are increasingly used and connect to the network. To assist with the need for increased throughput, the California State Legislature and State Governor’s Office recognizes the need for colleges and districts to upgrade circuit infrastructure to meet this demand. Funds have been allotted for the District to work with the Subgrantee to upgrade, where available, existing 1Gb (or less) circuits providing connectivity to colleges to 10Gb redundant circuits.

AGENDA ITEM
Chaffey Community College District
GOVERNING BOARD

June 25, 2020
Board Meeting Date

TOPIC 2020-2021 APPROPRIATION LIMIT

Communication No. IV.E.2.a

SUPPORTS BOARD POLICY

Board Policy 6200 Budget Preparation – Each year, the Superintendent/President shall present a budget or plan, prepared in accordance with Title 5 and the California Community Colleges Budget and Accounting Manual to the Governing Board.

The schedule for presentation and review of budget proposals shall comply with state law and regulations, and provide adequate time for Governing Board study.

PROPOSAL

To approve the 2020-2021 appropriation limit.

BACKGROUND

On November 6, 1979, the voters passed Proposition 4 (Gann Limit), a constitutional amendment appropriating limits for state and local government agencies. The Gann Limit is intended to constrain the growth in state and local government spending by linking year-to-year changes in expenditures to changes in inflation and population (FTES for colleges). Each year the District is required to calculate its appropriations subject to limitation as identified in Article 13b of the state constitution and Division 9 of Title 1 of the Government Code.

The worksheet calculates an appropriation limit for the 2020-2021 fiscal year of \$204,336,119. The appropriation subject to limitation included within the proposed tentative budget is \$96,467,300. The District is below the appropriation limit by \$107,868,819.

BUDGET IMPLICATIONS

Funding Source – Unrestricted general fund

Status of Funds – Calculations are based on the tentative budget.

Future Implications – Review of the appropriation limit is completed on an annual basis.

RECOMMENDATION

It is recommended the Governing Board approve the 2020-2021 appropriation limit of \$204,336,119.

TOPIC 2020-2021 CALIFORNIA STATE PRESCHOOL PROGRAM (CSPP-0424) CONTRACT

Communication No. IV.E.2.b

SUPPORTS BOARD POLICY

Board Policy 3280 (Grants) – The Governing Board shall be informed about all grant awards received by the District. The Superintendent/President shall establish procedures to assure the timely application and processing of grant proposal applications and awards, and that the grants that are submitted directly support the purposes of the District.

PROPOSAL

To adopt the resolution to approve the California Department of Education 2020-2021 California State Preschool Program Contract (CSPP-0424) in the amount of \$505,457 for the period of July 1, 2020 through June 30, 2021.

BACKGROUND

AB 2759 created the California State Preschool Program (CSPP), the largest state-funded preschool program in the nation, to service three and four year olds.

BUDGET IMPLICATIONS

Funding Source – California Department of Education, Child Development Division

Status of Funds – Income and expenditure of \$505,457 will be included in the 2020/2021 restricted Child Development Center fund adopted budget.

Future Implications – It is anticipated the Child Development Center will continue to receive funds from the California Department of Education (CDE), Child Development Division in the future.

RECOMMENDATION

It is recommended that the Governing Board adopt the resolution to approve the California Department of Education 2020-2021 California State Preschool Program Contract (CSPP-0424) in the amount of \$505,457 for the period of July 1, 2020 through June 30, 2021.

Board Meeting Date

TOPIC 2020-2021 TENTATIVE BUDGET

Communication No. IV.E.2.d

SUPPORTS BOARD POLICY

Board Policy 6200 Budget Preparation - Each year, the Superintendent/President shall present a budget or plan, prepared in accordance with Title 5 and the California Community Colleges Budget and Accounting Manual, to the Governing Board that shall include reasonable assumptions on which planning and budgeting are based, support the educational programs and services of the District, and identify all sources and amounts of anticipated income, along with projected expenditures for that fiscal year.

PROPOSAL

To approve the 2020-2021 tentative budget.

BACKGROUND

This budget year, Title 5 of the California Code of Regulations, Section 58300, that requires the District to develop a tentative budget on or before July 1 each fiscal year was suspended temporarily and new due dates established due to impediments caused by COVID-19. The new due dates include August 1 for the tentative budget and October 31 for the adopted budget. Since the purpose of the tentative budget is to establish July 1 spending authority for District operations until the state budget has been finalized and the adopted budget is approved by the Governing Board, the District has chosen to submit the tentative budget for approval before July 1. Board approval of the adopted budget will occur in September or October, depending on the date of any revision to the state budget.

The District's tentative budget was developed with information from the Governor's proposed May budget revision and before the legislature and the Governor reached a budget agreement. The public health emergency has had a massive impact on the state's general health and health systems and caused a major shift in the state's economic condition. The May Budget Revision includes substantial proposed reductions, including a proposed 8% reduction to Student Centered Funding Formula revenue.

The District's tentative budget reflects the Institutional Goals approved by the Governing Board and protects the core mission of the college. The tentative budget includes 0% for both COLA and growth. The estimated unrestricted general fund income is \$114,925,089 and the prior year re-allocation amount is \$12,297,125. Estimated budgeted expenses are \$127,222,214 and the projected 2020-2021 ending balance/reserve is \$17,086,077 (13.43%).

The tentative budget also includes the restricted general, bond, capital projects, scheduled maintenance, campus store, Chino Community Center, food services, self-insurance, vacation liability, Child Development Center, student government, student representation fee, and auxiliary donation funds.

Administration will update the budget recommendation for the adopted budget during the September or October meeting of the Governing Board.

BUDGET IMPLICATIONS

Funding Source – All District funds

Status of Funds – The budgets are based on estimated figures at the time of development and will be updated for the budgets proposed for adoption in September or October 2020.

Future Implications – N/A

RECOMMENDATION

It is recommended the Governing Board approve the 2020-2021 tentative budget as submitted.

TOPIC **BUDGET INCREASE – RESTRICTED GENERAL FUND**

Communication No. IV.E.2.e

SUPPORTS BOARD POLICY

Board Policy 6300 Fiscal Management - The Superintendent/President shall establish procedures to assure that the fiscal condition and activity of the District ensures fiscal health and stability, supports Governing Board priorities and financial planning and budgeting, and is consistent with generally accepted principles of accounting and business practices.

PROPOSAL

To approve the budget increase of \$5,000 to the 2019-2020 restricted general fund budget for the increase to the Staff Diversity (Equal Employment Opportunity) allocation.

BACKGROUND

The adopted restricted budgets were based on an estimated advance allocation. Per the 2019-2020 First Period Apportionment, the Staff Diversity (Equal Employment Opportunity) allocation increased as indicated below:

<u>Program</u>	<u>Current Budgeted Amount</u>	<u>Adjustments</u>	<u>Revised Budget</u>
Staff Diversity (EEO)	\$58,166	\$5,000	\$63,166
Total	<u>\$58,166</u>	<u>\$5,000</u>	<u>\$63,166</u>

BUDGET IMPLICATIONS

Funding Source – California Community Colleges Chancellor’s Office

Status of Funds – The 2019-2020 restricted general fund budget will be increased as indicated below for these programs:

48xxx	Income	\$5,000
55xxx	Other Services	\$5,000

Future Implications – N/A

Board Meeting Date

TOPIC **CHAFFEY COMMUNITY COLLEGE RANCHO CUCAMONGA CAMPUS MODERNIZATION
 NOTICE OF EXEMPTION**

Communication No. IV.E.2.f

SUPPORTS BOARD POLICY

Board Policy 6600 Capital Construction - The District will improve the physical learning environment and access by upgrading and renovating current facilities and adding additional facilities as appropriate, within the limits of District resources.

PROPOSAL

To approve the determination that the Rancho Cucamonga Campus Modernization Project Notice of Exemption is the appropriate CEQA compliance document for the project. The project is exempt from further environmental review under the requirements of the California Environmental Quality Act (Public Resources Code §§ 21000 et seq.) because it is consistent with Class 1 Existing Facilities (CEQA Guidelines § 15301), and Class 3, New Construction or Conversion of Small Structures (CEQA Guidelines § 15303).

BACKGROUND

The proposed Modernization project will result in the construction of a brand new 75,300 square foot Library/Learning Commons building and a 5,500 square foot addition to the Michael Alexander Campus Center (MACC) that will house a new kitchen and food service space at the Rancho Cucamonga Campus. Many of the existing buildings on campus were constructed prior to its opening in 1960 which has resulted in a lack of sufficient space and a limitation on the use of innovative teaching methods and technologies. Built in 1959, the existing library will be vacated and a new Library/Learning Commons building will be constructed to provide more space with electronic media support and improved accessibility and energy efficiency. The 5,500 square foot addition to the MACC building will include a 2,750 square foot serving area and 2,750 square foot kitchen which will include storage/processing space. Improvements will occur on campus, and no off-site improvements will be included as part of the project. The project does not involve an increase in student capacity and is intended to modernize the campus to serve the existing needs.

CONSTRUCTION

Construction of the proposed improvements are scheduled to be implemented in Fall of 2021 and is anticipated to last approximately 18 months. School administration and the construction contractor will work together to coordinate and stay informed about construction activities, location, and schedule. All construction equipment and workers will be located within the boundaries of the campus and will not interfere with school operations.

Chaffey College, serving as the CEQA Lead Agency, determined that the proposed project is exempt from CEQA under Class 1, Existing Facilities and Class 3, New Construction or Conversion of Small Structures. The project involves the vacating of the existing library building and construction of a new Library/Learning Commons building and the construction of a kitchen and food serving space to the existing MACC building. Existing uses of the facility as a community college will stay the same under the proposed project. The project has been reviewed under CEQA Guidelines § 15300.2 - Exceptions, for any characteristics or circumstances that might invalidate findings that the project is exempt from CEQA.

CHAFFEY COMMUNITY COLLEGE RANCHO CUCAMONGA CAMPUS MODERNIZATION

NOTICE OF EXEMPTION

June 25, 2020

Page 2

The proposed project at the Chaffey College Rancho Cucamonga campus is exempt from CEQA review pursuant to CEQA Guidelines Section 15301 and 15303. As substantiated in the attachments to the Notice of Exemption, the proposed project will not meet the conditions specified in § 15300.2, Exceptions, of the CEQA Guidelines, and the project is categorically exempt under Class 1 and 3.

BUDGET IMPLICATIONS

N/A

RECOMMENDATION

It is recommended that the Governing Board approve the determination that the Rancho Cucamonga Campus Modernization Project Notice of Exemption is the appropriate CEQA compliance document for the project. The proposed project is consistent with Class 1 Existing Facilities (CEQA Guidelines § 15301), and Class 3, New Construction or Conversion of Small Structures (CEQA Guidelines § 15303), and an Exemption is the appropriate CEQA compliance document for the Project.

TOPIC: **FIVE-YEAR CONSTRUCTION PLAN**

Communication No. IV.E.2.h

SUPPORTS BOARD POLICY

Board Policy 6600 Capital Construction – the District will improve the physical learning environment and access by upgrading and renovating current facilities and adding additional facilities as appropriate, within limits of District resources.

PROPOSAL

To approve the 2022-2026 Five-Year Construction Plan (FYCP).

BACKGROUND

The FYCP is an annual document required by the state Chancellor’s Office. Included in the FYCP are projects that the District expects to pursue, both currently and over the state’s budget window of 2022 to 2026. The purpose of the FYCP is two-fold: 1) it provides the state with insight as to the District’s use of facilities as compared to student demand; and 2) it determines the funding worthiness of the District relative to state support for capital construction projects.

Over the past year, District staff has been working with Gensler Architects to manage those elements used to determine state funding support. The goal has been to formulate a FYCP that attracts the greatest amount of revenue at the least expense to the district. The Final Project Proposal (FPP) for a new Instructional building at the Chino Campus was submitted three years ago and has been approved and funded by Proposition 51, which passed in November 2016. The Chino Instructional Building construction budget allocation will be part of the Governors 2021-2022 spending plan. An initial Project Proposal to repair or replace the Aeronautics Building is also being proposed as part of this year’s plan for funding in 2023.

Approval of the FYCP by the Board is being requested so that all related documents may be formally submitted to meet the state’s July 1, 2020, deadline.
