

Senior Early Transition Guide

*I've begun my
Panther journey!*

Hello Future Panther! Thank you for your interest in participating in Senior Early Transition (SET) at Chaffey College. Please use this guide as a reference to help you along the way!

First things first, you will receive a link from your high school counselor to register for the SET application workshop. You will need to have a personal email address (not your high school email). If you have a social security number please have that handy for the workshop BUT you do not need to have one to apply. Lastly, please make sure you attend the application workshop.

SET Steps to Complete
