

April 15, 2024

Dear Chaffey Student,

Financial aid packages for the 2024-2025 academic year are currently still in progress due to a nation-wide FAFSA processing delay. We understand this may cause concern as you prepare to register for summer and fall 2024 classes. **At this current time, Chaffey College WILL NOT enforce the 3-day payment deadline for the summer and fall 2024 terms until financial aid eligibility is determined.**

What do I do if I do not have a financial aid package?

If you have not completed your 2024-2025 [FAFSA/CA DREAM Act](#) application, we highly encourage you to complete it prior to the May 2nd priority deadline AND proceed to register for summer/fall 2024 classes as planned. Once your financial aid package is available, you will be notified when payments are due. Please check your Panther email regularly for important information and reminders.

Need FAFSA/Dream Act assistance?

Students can attend weekly workshops with Financial Aid Office staff in person or via Zoom. Registration is required to attend at the following links provided:

[Wednesdays 2pm-4pm](#) (in-person)

[Fridays 9am-11am](#) (via Zoom)

Sincerely,

Alisha Rosas
