6. Discussion Items:

6.1. Local GE Pattern Best Practice: No action taken on the statement below because no quorum was met.

1. Courses that have CSUGE and IGETC articulation will automatically be added to the appropriate area of Chaffey's local GE pattern by the Articulation Officer during the annual GE cleanup.

6.2. Academic and Career Communities Follow-Up: The Chair shared how many degrees, certificates, active courses, full-time faculty, and part-time faculty are in each ACC. The Chair asked if the committee would like to reorganize representation per ACC. Discussion ensued about the workload and roles for the representatives in each community. The committee also discussed that the campus is gradually reorganizing based upon the ACCs, such as the Success Centers and former Faculty Advisors group. Follow up questions to this discussion include: What criteria does the committee use to determine the new representation on the committee? Will the current roles outlined in the Curriculum Committee Handbook change? How many representatives should each of the ACCs have? Discussion will continue at the next meeting.

6.3. IGETC/ADT and Communication Studies Discussion Continued: Tabled.

7. Floor Items: None.

8. Adjournment: The meeting was adjourned at 2:18p.m.
