

AP 5510 Off-Campus Student Organizations

When a student is involved in an off-campus offense, police officers may assist with the investigation in cooperation with local, state, or federal law enforcement. Local law enforcement authorities routinely work and communicate with the Chaffey College Police Department on any serious incidents occurring on-campus or in the immediate neighborhood and business areas surrounding campus. Students may live in the neighborhoods surrounding the campus. Although local law enforcement authorities have primary jurisdiction in all areas off campus, Chaffey College Police Department can and do respond to student-related incidents that occur in close proximity to campus. Chaffey College Police Department communicates with local law enforcement and fire departments to facilitate rapid response in any emergency situation.
