

BP 3440 Service Animals and Other Animals on District Property

With the exception of animals specifically exempted in the associated administrative procedure (see AP 3440 Service Animals and Other Animals on District Property), animals are not permitted on campus.

In order to prevent discrimination on the basis of disability, the District will allow an individual with a disability to use a service animal (dog or miniature horse) in District-owned or operated facilities in compliance with state and federal law.
