The Panthers are off to an exciting season.

Women's Soccer

Only weeks into the 2007 season, the women's soccer team is setting the bar high for the competition. With conference play still two weeks away, the women are 5-0-1 after a 6-0 win Tuesday at LA Mission College. Candice Jenkins has averaged 8 saves per game, goal keeping at every match. The team takes on LA Harbor at home Friday.

Volleyball

After a 3-0 win against Grossmont on Friday evening, the volleyball team took the championship in the consolation category last weekend at the Cuyamaca Tournament after beating host Cuyamaca and Tima (AZ). The team plays at home Friday against Palomar and then will compete in the Santa Ana Tournament on Saturday.

Football

Despite a disappointing 27-6 loss to Riverside last Saturday, the Panthers are optimistic for Saturday's conference opener against Victor Valley (0-2). "Like Victor Valley, we're a very young team but we're improving every day." – *Carl Beach, head coach Panther football*
