About The College

The College
Chaffey College, one of the first colleges to be established in California, is a two-year public community college situated in an area of natural and tranquil beauty in Southern California. The campus occupies 200 acres of rolling lawns and native foliage in the foothills of the majestic San Gabriel Mountains. Founded in 1883 as a private college, Chaffey has been a publicly funded college since 1916.

Curricula
Chaffey College offers two year associate in art or science degrees in academic or vocational fields, one-year certificates of achievement, and transfer programs that meet the lower-division requirements for a baccalaureate degree to be obtained at a four-year college or university. The college operates on the semester system, which consists of fall, spring, and summer terms.

Chaffey courses are offered at the main campus in Rancho Cucamonga and off-campus centers in Chino, Fontana, Ontario, and the new Chino Information Technology Center.

District
The college district serves a population of 755,000 in the west end of the vibrant Inland Empire of San Bernardino County, including the communities of Chino, Chino Hills, Fontana, Montclair, Ontario, Rancho Cucamonga, and Upland.
About the Program
At Chaffey College you can become a fully qualified Dietetic Service Supervisor. The program leads to employment in hospitals, nursing homes, and other health care facilities, schools, health clubs, and hospitality properties.

The Dietetic Service Supervisor program is designed to educate students to meet the technical and supervisory needs of a variety of food service operations. The programs also prepare students to be successful in a supervisory or management capacity in either commercial or institutional food operations. Students are taught in a hands-on approach as they work in an actual production kitchen and operate a restaurant on campus.

DIETETIC SERVICE SUPERVISOR
Career Opportunities
The Dietetic Service Supervisor program prepares students for entry-level management in a food service department in health care, community care, or school food service organizations, including entry levels of supervision. The program fulfills the federal and state training regulations for positions in the general acute-care hospitals, acute psychiatric hospitals, skilled nursing facilities, and intermediate-care facilities.

The Dietetic Service Supervisor program is approved by the California State Department of Health.

Program Highlights
Our faculty are industry leaders in management, health care and counseling who bring excellent experience to the classroom. Students enrolled in the program have the opportunity to learn from major employers in the area.

Cost Estimates
If you attend college full-time you should be able to complete the Dietetic Service Supervisor program in one year at an estimated cost of approximately $700 per year.

Advisory Committee Provides Guidance
The advisory committee is comprised of local dietetic professionals who assist you in your education. They help provide practical learning opportunities for you to learn as an intern and through work experience. The committee also helps the college to maintain up-to-date programs and classes that meet the needs of the industry.

You Receive Actual Work Experience
Learn the necessary management skills on a daily basis, “on the job” by working with local facilities, mentors, and preceptors.

Total Involvement - Total Commitment
Your goal is to obtain a well-balanced education that will lead to immediate employment and provide a pathway to a successful career in dietetic management. This requires total involvement on your part and total commitment on the part of Chaffey College to provide you with the course and practical experience to get you started. The college is ready, are you?
