ABOUT THE COLLEGE

The College
Chaffey College, one of the first colleges to be established in California, is a two-year public community college situated in an area of natural and tranquil beauty in Southern California. The campus occupies 200 acres of rolling lawns and native foliage in the foothills of the majestic San Gabriel Mountains. Founded in 1883 as a private college, Chaffey has been a publicly funded college since 1916.

Curricula
Chaffey College offers two year associate in art or science degrees in academic or vocational fields, one-year certificates of achievement, and transfer programs that meet the lower-division requirements for a baccalaureate degree to be obtained at a four-year college or university. The college operates on the semester system, which consists of fall, spring, and summer terms.

Courses are offered at the main campus in Rancho Cucamonga and at campuses in Chino and Fontana, as well as online through the Distance Education program.

District
The college district serves a population of 750,000 in the west end of the vibrant Inland Empire of San Bernardino County, including the communities of Chino, Chino Hills, Fontana, Montclair, Ontario, Rancho Cucamonga, and Upland.

Costs
Student Health Services is supported by the health fee paid at the time of registration. There is no charge to consult/visit the office staff including the medical doctors and nurse practitioners. There are however minimal fees for additional services such as office lab tests, immunizations and prescription medications.

Confidentiality
Your medical records and all discussions with the Student Health Services Staff are completely confidential. Records are only released with written consent of the student, unless required by law.

Accident Reporting and Insurance
The Chaffey insurance policy is for accidents that happen during class activities. This insurance is secondary to any privately held insurance policy. It is the student’s responsibility to immediately report any accident to their instructor and Student Health Services within 72 hours of incident.

Students interested in twenty-four hour coverage for non-college related accidents or medical expenses due to an illness may voluntarily enroll themselves and dependents in plans from various insurance companies. Brochures may be obtained in the Student Health Services Office.

PURPOSE, SERVICES, AND ELIGIBILITY

Student Health Services is dedicated to assisting students to achieve and maintain optimum physical, mental and emotional health. We are committed to providing quality healthcare at a reasonable cost.

The Student Health Service team is made up of medical doctors, nurse practitioners, registered nurses, licensed vocational nurses, counselors, secretaries, student educators, and student workers who are trained to assist you with medical information and problems in a professional and confidential manner.

All Chaffey students currently enrolled in credit courses may be seen at Student Health Services.
