About The College

The College
Chaffey College, one of the first colleges to be established in California, is a two-year public community college situated in an area of natural and tranquil beauty in Southern California. The campus occupies 200 acres of rolling lawns and native foliage in the foothills of the majestic San Gabriel Mountains. Founded in 1883 as a private college, Chaffey has been a publicly funded college since 1916.

Curricula
Chaffey College offers two year associate in art or science degrees in academic or vocational fields, one-year certificates of achievement, and transfer programs that meet the lower-division requirements for a baccalaureate degree to be obtained at a four-year college or university. The college operates on the semester system, which consists of fall, spring, and summer terms.

Chaffey courses are offered at the main campus in Rancho Cucamonga and off-campus centers in Chino, Fontana, Ontario, and the new Chino Information Technology Center.

District
The college district serves a population of 755,000 in the west end of the vibrant Inland Empire of San Bernardino County, including the communities of Chino, Chino Hills, Fontana, Montclair, Ontario, Rancho Cucamonga, and Upland.
