

## Chaffey College Child Development Center

The Chaffey College Child Development Center offers Center Based Child Care Services for children ages 18 months to three (3) and a full day State Preschool Program for children ages three (3) through Kindergarten. It is free of cost to qualified families. Cost to students is based on family income and other state and federal requirements. Priority for admission will be given to income eligible student/parent families. The program is funded by the California State Department of Education and administered through the Chaffey College Child Development Center.

### **Our Mission is:**

- To provide high quality, developmentally appropriate child care and educational experiences for children
- Support Chaffey College students in their educational and vocational goals
- Provide Training and employment for individuals seeking careers working with children and families

### **Our program includes:**

- Child directed activities to develop independence, problem-solving, decision-making and creative thinking.
- Teacher planned activities to expand the children's interests and knowledge
- Language development and communication skills
- Cognitive development – pre-academic skills for reading, mathematics and science
- Creative exploration – art, music, dance, drama
- Physical development – small muscle and large muscle coordination skills
- Dental, nutrition and safety education
- Emotional and social development through play with children
- Nutritious meals
- Our parent education program includes opportunities to:
  - Focus on the important role parents play in their child's education
  - Build supportive relationships with other parent sand teachers
  - Listen to speakers on topics such as positive discipline, health and nutrition, preparing your child for kindergarten, etc.
  - Learn about physical, cognitive, emotional, social, and creative development of children
