Tutoring Info

Here’s how

Type out the URL you will be using, and hit enter to turn it into a hyperlink. Another option is to copy and paste the link directly from your browser. www.chaffey.edu/csn

Click anywhere in your link to place the cursor in it. Right click and select “edit hyperlink” from the menu. Replace the contents of “Text to display” with your desired text.

Here’s the new link Classified Success Network
