Objectives:
Upon completion of the course, students should be able to:

A. Suggest authors' purposes and describe the tones of various non-fiction and some fiction texts. Begin to distinguish between fact and opinion in texts, and explore the connections between tone, purpose, and audience in various writing situations, in non-fiction and some fiction texts.

B. Demonstrate the reading process, including previewing, setting a purpose, integrating knowledge, thinking metacognitively, questioning, and recalling and reacting to various genres of non-fiction, including informative expository writing, editorials, trade and journal articles.

C. Develop critical thinking strategies such as identifying important information in texts by annotating, summarizing, outlining and mapping, using direct statements, prior knowledge, including reflecting on and making connections to text and "reading between the lines" for drawing conclusions in non-fiction texts, to reflect on reading and one's own writing.
D. Describe authors' awareness of audience, purpose, and tone shapes assigned reading materials and class assignments and begin to utilize this understanding in drafting writing assignments.

E. Use stages of the writing process including prewriting, writing, revising, and utilizing feedback to draft a variety of short compositions, paragraphs and essays (1-3 pages), in a variety of genres, including descriptive writing, summary, reflection, and some introductory analysis.

F. Utilize titles, headings, and tables of contents to assist in interpreting meaning in assigned readings. Practice a variety of free-writing and brainstorming activities in response to reading assignments and as a means of generating ideas for writing.

G. Recognize main ideas and supporting details and evidence at the paragraph level and thesis statements and controlling ideas at the composition level in assigned readings, as well as topics and organization patterns. Formulate clear and specific main ideas and thesis statements in one's own writing, and develop the ability to think logically and express thoughts in clear, effective paragraphs and short essays.

H. Recognize the role diction and vocabulary play in successful written communication through the effective use of academic tools.

I. Develop strategies for success in this and other college classes, including an introduction to basic research methods and tools such as dictionaries and thesauruses; library resources, including e-reserve and data bases; creation and simple editing of documents using Microsoft Word; and Internet search engines, including identification of the use and purpose of Internet domains.

Weekly Schedule and Assignments:
For this course, online Moodle links/assignments and a course packet will be used in lieu of a formal textbook. All readings and assignments are currently posted online in a weekly format and/or are in the prepared packet. Based on student understanding of the skills presented, the order of assignments and time spent on each are subject to change.

In class and Moodle participation, class lectures and group discussions are all an extremely important part of this course. Therefore, class must be attended regularly. All assignments must be submitted on the due date at the beginning of class time.

NO LATE WORK WILL BE ACCEPTED.

Absences: If you are absent, label your homework or Success Center assignment "ABSENT" at the top of the first page. After 4 absences, any further absences will result in a grade of zero (0) for any work due that day. In addition, missing more than 10 minutes of class counts as ½ of an absence.
If you are absent the day of a quiz/test you will receive a zero for that quiz/test. If you are absent the day a writing assignment (paragraph, essay or research paper) is due, you will receive a zero for the assignment unless the paper is emailed to me in a word document prior to the end of class on the due date.

**THERE WILL BE NO LATE PAPERS ACCEPTED AND NO MAKE-UP QUIZZES OR TESTS GIVEN.**

**Registration:** It is the student's responsibility to complete registration procedures and to drop the class officially, should that become necessary. However, I reserve the right to drop you from class should your absences become excessive.

**Grading:** Credit for this course will be earned with an overall average of 70% or higher based on the following breakdown: Writing Assignments and Tests 50%; Center Assignments and Hours 15%; Class and Group Participation 15%; Homework 20%.

**Student Success Centers**

Chaffey College has created a network of Student Success Centers - offering free tutorials, workshops, learning groups, directed learning activities, and computer/resources access - to assist students in their academic development and success. Throughout the semester, Success Center services will be offered at all 3 Chaffey locations:

- **Chino Campus Success Center**
  - Multidisciplinary Success Center (CHMB-145) 909-652-8150

- **Fontana Campus Success Center**
  - Multidisciplinary Success Center (FNFC-122) 909-652-7408

- **Rancho Campus Success Centers**
  - Language Success Center (BEB-101) 909-652-6907/652-6820
  - Math Success Center (Math-121) 909-652-6452
  - Multidisciplinary Success Center (Library) 909-652-6932

A current Chaffey College photo ID card is required for all Success Center services. Walk-ins are welcome, and advanced appointments are available for most services. Call the centers or consult the college website at www.chaffey.edu/success/ for more information. Online appointments: [https://chaffey.mywconline.com/](https://chaffey.mywconline.com/)

**Directed Learning Activities and Success Center Requirements:** A total of 10 hours are required for this course. You may complete your hours at the Rancho Campus Language Success Center, the Chino Success Center, or the Fontana Success Center. Supplemental learning hours are recorded on the Success Center positive attendance computer at the front desk. **You must log in at the Success Center before each activity and let the person at the desk know what activity you will be working on that day. In order to receive credit, you must also log out when you complete the activity. (If you fail to log out, you will only receive one minute of Center credit.) To verify which activities you have completed, you must bring your Success Center Verification Sheet with you each time you visit the Success Center. At the completion of each activity, a Success Center employee will sign, date, and stamp your**
Verification Sheet. It is your responsibility to see that there is a signature and stamp for each activity completed. Activity deadlines are listed on the verification form. No less than 10 hours must be completed to earn full Center credit.

**Academic Integrity:** To present someone else’s work as one’s own is cheating. Copying, plagiarism, crib notes and forged signatures are examples of cheating. The submission of work that is not the product of the student’s own effort is dishonest and will be given no credit. If severe, other disciplinary action may be taken. Official English Department Position on Plagiarism: **Violations of the Student Academic Integrity Code, including plagiarism, will not be tolerated in Chaffey College English courses. Plagiarism is defined as the misrepresentation of the published ideas or words of another as one's own. At the discretion of the professor, plagiarism or other violations may result in zero points for the assignment and/or failing the course. Additionally, the professor may file a Student Academic Integrity Form documenting the violation and may seek other sanctions. The complete Student Academic Integrity Code appears in the Chaffey College Student Handbook.**

**Internet Usage:** While in any Success Center and in our classroom, Internet access will be limited to course related topics and research only. Creating, transmitting, uploading, or downloading obscene material is strictly prohibited and may result in criminal or civil penalties.

**DPS:** If you have a disability documented by a physician or other appropriate professional and wish to discuss academic accommodations, please contact the Chaffey College DPS office at 909-652-6379.

**EOPS & CARE:** Extended Opportunity Programs and Services [EOPS] is designed to ensure student retention and success through academic support and financial assistance for eligible students. Cooperative Agencies Resources for Education [CARE] is a program that serves a limited number of EOPS students who are single heads of household parents. It provides additional support services beyond those available through EOPS. The ultimate goal is completion of a certificate program, an associate degree, and/or transfer to a four-year college. Call 909-652-6345 for more information.

**Early Advantage System:** In order to assist students when they need support, Chaffey College uses an Early Advantage System that allows your instructor to notify you if your success in this course appears to be in jeopardy. This system is designed to provide you with individualized attention while there is still time for you to successfully complete this course. The Early Advantage Office may send you a letter or email followed up with a telephone call to discuss your classroom performance and the on-campus resources available to you, so please use My ChaffeyVIEW to keep your contact information up-to-date.
Veterans and Eligible Family Members
