Hours
Monday – Thursday: 7:30 a.m. – 5:00 p.m.
Friday 8:00 a.m. – 2:00 p.m.

Student Activities provides students with an opportunity for educational experience in addition to the classroom. Student services include information on all clubs/student organizations, housing bulletin board, and information on cultural events on campus activities, offices for student government, food pantry, community partnerships, student elections, and Commencement. The Student Activities Office is located in Campus Center East next to the Bookstore and the International Office.

Annually the ASCC funds $90,000 - $100,000 in book grants to students to assist their academic journey. These grants are awarded at the beginning of each term. Additionally this spring semester the ASCC funds $100,000 in competitive scholarships. The list is available the week before winter break and is also available on-line. The application period is mid-December through March. Please call for specific time lines for each year. The applications are on-line; however, the scholarship package must be submitted in person at one of the three campuses.

The student lounge is perfect for study groups and social interaction. Faculty are able to bring classes in to this area if other programming is not scheduled.

Please stop by or call if you need information on clubs, lectures, and cultural celebrations. Student Activities hosts a variety of fundraisers throughout the year to benefit student’s on-campus and community partnerships.

For example:
• “Night with Santa” new toy drive for in-need Chaffey student-parents and their families. Occurs annually in December.
• Annual Scholarship Program in May benefiting all Chaffey students.
• Monthly Food Pantry
• United Way School Tools
