

Chaffey History Collection Sheet

We are collecting information for a book on the history of Chaffey College. The outline for the book will be ready as a brochure for the big celebration on Founder's Day; March 17, 2007. The book will be finished by the end of our 125th year celebration.

Since you have been an important part of Chaffey's history, we are hoping you will assist us in this collection process. Please bring your memories of Chaffey; we know some will be more positive than others, but we are looking for a true sense of the history of the College.

This Collection Sheet is provided to help you with your homework in addition to the enclosed history timeline.

First, please fill out the form below:

Email: _____ Telephone: _____

List the dates you worked at the college and the jobs you held while employed at Chaffey.

The book will be written using both chronological order and themes and the lunch discussion will be organized in the same fashion. If you could please use the following themes to help organize your memories, it will help to make the lunch more productive.

An exhibition of Chaffey's History will be featured in the Museum Gallery for the 125th anniversary celebration. If you have any objects, pictures or other memorabilia that you could lend that would help tell Chaffey's story; please let us know in writing. You can mail a description of your item to Frank Pinkerton, Chaffey College Library, 5885 Haven Avenue, Rancho Cucamonga, CA 91737 or email to frank.pinkerton@chaffey.edu. Unfortunately we do not have space to store this memorabilia before the exhibition, but if you tell us what you are willing to lend us, we can contact you as the show develops.
