2.2 DELEGATION TO THE SUPERINTENDENT/PRESIDENT

All Board authority delegated to staff is delegated through the superintendent/president so that all authority and accountability of staff, as far as the Board is concerned, is considered to be the authority and accountability of the superintendent/president. The Board shall delegate reasonable interpretation of policy and implementation to the superintendent/president [Education Code Sections 70902(d), 72400; Accreditation Standard 10.A.3].

2.2.1 Principles

- A. The Board shall direct the superintendent/president to achieve specified results for specified recipients at a specified worth through the establishment of Ends policies. The Board shall establish the latitude of the superintendent/president through establishment of the Ends and Executive Expectations policies.
- B. As long as the superintendent/president uses any reasonable interpretation of the Board's Ends and Executive Expectations policies, the superintendent / president is authorized to establish, determine, or delegate all further procedures, all decisions, all actions, all practices and all activities. Faculty, classified staff, and students shall be provided an opportunity to participate in the development of procedures and processes that have a significant effect on them, specifically as related to Title 5 regulations.
- C. The Board may change its Ends and Expectations policies, which may change the latitude of choice given to the superintendent/president. However, as long as any particular delegation is in place, the Board and its members shall respect and support the superintendent/president's choices.
- D. Only decisions of the Board acting as a body are binding upon the superintendent/president.
 1. Decisions or instructions of individual Board members, officers, or committees are not binding on the superintendent/president except in rare
