6.5 HEALTH AND SAFETY

The superintendent/president shall establish administrative procedures to ensure the safety of employees and students on district sites, including the following:

- A. Ensure the safety of students, faculty, staff and other persons while on Chaffey Community College District property or involved in Chaffey Community College District-sponsored programs or activities and to protect the facilities of the Chaffey Community College District in the event of disaster or emergencies.
- B. Review the Emergency Plan with the Governing Board at least annually and revise as needed.
- C. Protect the rights of students and staff of the district to expect their person and property to be safe on the campus. Moreover, members of the district community and visitors to the campus have a right to expect the grounds and facilities to be clean and hazard-free.
- D. Prohibit smoking, in accordance with Government Code 7597, within 20 feet of a main exit, entrance, or operable window of any college-owned, leased, or operated buildings and in any college-owned, leased, or operated vehicles.
