BP 3520  Local Law Enforcement

On behalf of each campus or center, the District shall enter into written agreements with local law enforcement agencies. The agreements shall clarify operational responsibilities for investigations of Part I violent crimes, defined by law as willful homicide, forcible rape, robbery, and aggravated assault, occurring at each location.

The written agreement shall designate which law enforcement agency shall have operational responsibility for violent crimes and delineate the specific geographical boundaries of each agency’s operational responsibility, including maps as necessary.

The written agreements required by this policy shall be public records and shall be made available for inspection by members of the public upon request.

The District encourages accurate and prompt reporting of all crimes to the Campus Police Department and/or the appropriate law enforcement agencies. The Superintendent/President shall establish procedures that encourage pastoral counselors and professional counselors, if and when they deem it appropriate, to inform the persons they are counseling of the procedures to report crimes.
