Accountability: The Student Success Act of 2012

• Necessary Conditions to Maintain Registration Priority:
  – Mandatory online orientation
  – Mandatory assessment
  – Mandatory educational plan
  – Maintain good academic standing
  – Fewer than 100 units
Accountability: The Student Success Act of 2012

• Mandated Enrollment Priority Tiers:
  
  – Tier One: Foster youth and eligible veterans, EOPS, CalWorks and DPS

  – Tier Two: Locally identified through Enrollment and Success Management Committee

*All students need to meet the previous conditions to maintain registration priority
Accountability: The Student Success Act of 2012

• Unit Capacity
  – Any Chaffey College student who exceeds 100 units will lose registration priority status
  – Students who are 18 units from completing their educational goals can petition to maintain their registration priority date for one semester
Accountability: The Student Success Act of 2012

• Financial Aid Restrictions on the Board of Governor’s Fee Waiver in 2015/2016
  – Terminates fee waiver when students have not met satisfactory academic progress
  – 65% of Chaffey students receive some form of financial assistance
  – Financial aid terminates at 72 units
What Does This Mean?

• Students must identify their goals quickly and make sufficient progress in a timely manner
• Students need to set themselves up for success by completing all of the mandatory components before they register
• The College needs to develop the infrastructure to implement the mandates
• Faculty and staff need to help students understand the implications of these new regulations
