Reading Strategies Across the Curriculum

Reading strategies are tools that enable a reader to increase comprehension of challenging texts. This reading workshop offers faculty an opportunity to become familiar with several of these strategies (previewing a textbook/textbook chapter, active reading, Anticipation Guides, Think Alouds, and vocabulary) that can help students improve their comprehension of information. Come join us to learn a few techniques that your students can use to gain a better understanding of your discipline-specific readings.

Facilitators

Reading and Writing FIT
(Faculty Inquiry Team)

FSC ATL 109
Wednesday
August 27
12:30 PM – 1:30 PM

Light lunch will be provided.

BOGO – Bring One, Get One
If you bring another faculty member who has not attended an FSC FED or workshop in the past two years, then both of you will receive a raffle ticket. Faculty who attend on their own for the first time in the past two years can also receive a raffle ticket. I will draw tickets at the end of the semester for a prize.
