Changing the Culture and Perception of Math

How do your students feel about math? Does math anxiety hinder your students from learning certain concepts in your discipline? Join us as we explore some strategies to help students interact with math across the disciplines in more effective ways.

FACILITATORS

Angela Burk-Herrick
Robin Witt

FSC ATL 109
WEDNESDAY
November 19
12:30 PM – 1:30 PM

Light lunch will be provided.

BOGO – Bring One, Get One
If you bring another faculty member who has not attended an FSC FED or workshop in the past two years, then both of you will receive a raffle ticket. Faculty who attend on their own for the first time in the past two years can also receive a raffle ticket. I will draw tickets at the end of the semester for a prize.
