Please join us in this informative webinar and learn about the steps you can take to influence your own institution’s success rates as early as your next incoming class. In this webinar you will:

- Understand the national and policy perspectives on student success in the minority-serving institutions (MSI) community.
- Learn about the research that points to the importance of non-cognitive factors in assessment.
- Discover how holistic assessment can drive success rates.
- Explore examples of how other MSIs have successfully implemented holistic assessment to achieve results.
- Acquire the tools to improve their own institutions’ retention and success rates.

BOGO – Bring One, Get One
If you bring another faculty member who has not attended an FSC FED or workshop in the past two years, then both of you will receive a raffle ticket. Faculty who attend on their own for the first time in the past two years can also receive a raffle ticket. I will draw tickets at the end of the semester for a prize.
