Encouraging Female Participation in Class

Do you teach a subject with a gender bias, either real or perceived? Strategies for enhancing female participation in class have come a long way in recent years so much that we now identify strategies that enhance the participation of many underrepresented groups, including women. In this workshop we’ll look at a range of innovative pedagogies and assessments and we’ll identify some of the most equitable and most effective.

FACILITATORS

Angela Burk-Herrick
Joann Eisberg

ATL - 110
WEDNESDAY
September 9
12:30 PM – 1:30 PM
Snacks provided

BOGO – Bring One, Get One
If you bring another faculty member who has not attended and FSC FED or workshop in the past two years, then both of you will receive a raffle ticket. I will draw tickets at the end of the semester for a prize.
