Have you ever wanted to use clickers in your classroom to check for understanding and keep students engaged? Have you ever wondered if there is a way to record your class sessions, capture your presentation, and provide copies of your syllabus and other handouts for students to have access at any time? CCC Confer is a free online tool for California Community Colleges that was designed to allow users to communicate and collaborate. Join us and learn how you can use CCC Confer as an instructional tool in your classroom.

BOGO – Bring One, Get One
If you bring another faculty member who has not attended an FSC FED or workshop in the past two years, then both of you will receive a raffle ticket. Faculty who attend on their own for the first time in the past two years can also receive a raffle ticket. I will draw tickets at the end of the semester for a prize.
