GENERAL
GRADING
INFORMATION
Dear Faculty Members:

The Admissions and Records Office has put together this handbook in an effort to assist faculty members with questions regarding Grading and Enrollment Information. We feel that this information is necessary, especially for adjunct and new faculty members, and hope you find it helpful. If you have any suggestions for improvement, please do not hesitate to let us know.

**What Does Title 5 Say About Grade Changes?**

Title 5, Section 55025.

(a) In any course of instruction in a community college district for which grades are awarded, the instructor of the course shall determine the grade to be awarded each student in accordance with this article. The determination of the student’s grade by the instructor shall be final in the absence of mistake, fraud, bad faith, or incompetence.

(b) For purposes of this section, “mistake” may include, but is not limited to, clerical errors and errors made by an instructor in calculating a student’s grade.

(c) Procedures for the correction of grades shall be consistent with Education Code section 76232 or provide an alternative mechanism which will ensure that students receive a reasonable and objective review of the requested grade change. If the procedure requires the student to first request a grade change from the instructor, provisions shall be made for another faculty member to substitute for the instructor if the instructor is not available, the student has filed a discrimination complaint or the district determines that it is possible there has been gross misconduct by the original instructor.

(d) Procedures shall also include expunging the incorrect grade from the record.
Meaning of Grade Symbols

Title 5, Section 55728. Grades are based upon the quality of the student's work in credit classes within the framework of the college's philosophy, academic standards, and state regulations.

The grade point average is computed by dividing all units attempted into all grade points earned.

Grades, grade points awarded, and symbols used by Chaffey College are as follows:

*Chaffey College began using P/NP (Pass/No Pass) symbol as of Fall 2008.

## Use of C- Grade

Title 5, section 55758, (b) states that the use of “plus” and “minus” designations is allowed in combination with letter grades, except that the grade of C minus shall not be used. In order to adhere to Title 5 requirements, Chaffey College ceased using the minus designation on the C grade in 2000.
**FINAL GRADES**

Faculty members have 5 working days at the end of the semester to submit final grades online.

Below are some of the main reasons why students must receive final grades by required deadline dates:

- Prerequisite completion
- Increase units earned for registration into future terms
- Transfer to four-year institution
- Health insurance coverage
- Scholarships
- Financial Aid benefits
- Veteran benefits
- Removal of academic probation status
- Sports participation
INCOMPLETE CONTRACTS

Upon student's request, Incomplete Contracts may be given prior to the end of the semester or prior to finals. Incomplete grades should not be assigned after the end of the semester. Each time you assign an Incomplete grade, you must complete an Incomplete Contract and submit it to the Admissions and Records Office at the end of the grading cycle.

The catalog states, an Incomplete grade can be issued for incomplete academic work due to unforeseeable emergency and justifiable reason at the end of the term. Examples of unforeseeable emergencies and justifiable reasons may be hospitalization, illness, personal emergency, death in family, accident, etc. Instructors should discuss Incomplete options with the student prior to completing this contract.

Incomplete Contract Requirements:
Incomplete contracts should never be assigned without the student's consent. If an unforeseeable emergency and justifiable reason is presented prior to the end of the semester, the instructor may permit the student to receive an Incomplete. Our data indicates that the majority of students who receive Incomplete grades without their knowledge automatically receive substandard grades at the end of the year. Please keep this information under consideration and be judicious about the use of Incomplete grades.

Coursework identified on the Incomplete Contract must be completed within one year or the "I" grade will default to an alternate grade indicated by the instructor (usually substandard). Please note that the student is not required to reregister for the class. When the work is completed, the instructor must submit a final grade change through the Admissions and Records office. The grade change must be submitted within a year as stated on the Incomplete contract.

Incomplete Contracts are available to instructors on My ChaffeyVIEW and in the Admissions Office in Rancho.

Process:
- Discuss the Incomplete grade with student prior to the end of the semester and make sure both agree to the terms of the contract
- Download Incomplete Contract form from the Faculty Link on MyChaffeyVIEW
- Complete the second box of information for Incomplete grade; state why the student was unable to complete the course and state specific conditions for removal of "I"
- Enter an alternate grade (in most cases a substandard grade) if the work is not completed within a year.
- Sign and print name on contract and submit original copy to Admissions immediately after the grading cycle is completed.
  - Fax the completed and signed form to the Admissions Office at (909) 652-6617
  - E-mail a PDF copy of the completed and signed form to erlinda.martinez@chaffey.edu or Cecilia.carrera@chaffey.edu
- Admissions and Records will image original copy in student’s record, and will provide student with copy of contract
IN PROGRESS CONTRACTS (IP’s)

In Progress: The “IP” symbol shall be used only in the courses which extend beyond the normal end of an academic term. It indicates that work is “in progress,” but that assignment of an evaluative symbol (grade) in must await its completion. The “IP” symbol shall remain on the student’s permanent record for the term in which the course is completed.

The Catalog states, “IP” grades are most commonly issued for open-entry/open-exit courses, courses which are skills based and where a student making satisfactory progress has not yet mastered the required skills to complete the course requirements, or team-sports that have seasons that overlap semesters. Instructors should discuss IP options with the student prior to completing this contract.

A student attempting to earn a satisfactory grade in a course for which he or she has received an “IP” (In Progress) grade must enroll for that course in the subsequent semester (excluding summer). Coursework must be completed and graded the following semester, but the “IP” grade will permanently remain on the student record. If the student does not reenroll the following semester, the IP grade will default to the alternate grade as indicated by the instructor on the IP contract (usually substandard).

Process:
- Discuss the IP grade with student and make sure both agree to the terms of the contract
- Download IP Contract form from the Faculty Link on MyChaffeyVIEW
- Complete the top under “IP” Grade
- Enter an alternate grade (in most cases a substandard grade) if the work is not completed by the following semester.
- Sign and print name on contract and submit original copy to Admissions immediately after the grading cycle is completed.
  - Fax the completed and signed form to the Admissions Office at (909) 652-6617
  - E-mail a PDF copy of the completed and signed form to erlinda.martinez@chaffey.edu or Cecilia.carrera@chaffey.edu
- Admissions and Records will image original copy in student’s record, and will provide student with copy of contract

INSTRUCTOR: Check one box below and complete the appropriate information.

☐ “IP” Grade

The Catalog states, “IP” grades are most commonly issued for open-entry/open-exit courses, courses which are skills based and where a student making satisfactory progress has not yet mastered the required skills to complete the course requirements, or team-sports that have seasons that overlap semesters. Instructors should discuss IP options with the student prior to completing this contract.

You have not completed the required class work in the above course; therefore, you have been assigned an In-Progress (IP) grade. To complete the course, you must register for this same class next term. Failure to do so will result in your IP grade changing to a grade of ____________.

A, B, C, D, F, P or NP

Instructor’ Signature ___________________________   Print Name ___________________________

☐ “I” Grade

The catalog states, an Incomplete grade can be issued for incomplete academic work due to unforeseeable emergency and justifiable reason at the end of the term. Examples of unforeseeable emergencies and justifiable reasons may be hospitalization, illness, personal emergency, death in family, accident, etc. Instructors should discuss Incomplete options with the student prior to completing this contract.

Due to the reasons stated in your request, you have been assigned an Incomplete (I) grade. Do not register for the class again. Instead, completion of work must be arranged with me. Conditions for removal of this “I” grade are as follows:

Instructor must state why the student was unable to complete the course ______________________________________

__________________________________________________________________________________________

Instructor must state specific conditions for removal of “I” ______________________________________

__________________________________________________________________________________________

If the work is not completed within one year, the “I” grade will be changed to a grade of ____________.

PASS/NO PASS GRADING
(Two Options)

Option A: Courses Offered on a Pass/No Pass Only Basis
There are several courses that are offered on a Pass/No Pass Only Basis. These courses are clearly identified in the College Catalog and the Schedule of Classes. Evaluative Grads are NOT an option for these courses.

Option B: Pass/No Pass Grading Option
At the present time, there are a limited number of courses that can be selected for Pass/No Pass grading (see College Catalog). If the student selects the Pass/No Pass grading option for any of the identified courses, it is their responsibility to request this option through an application process.

Note: Instructors should advise students to review the Pass/No Pass policy in the catalog and to meet with a counselor to see how this option may affect their educational goals.

Process for Option B:
- Student must pick up the Pass/No Pass request form in the Admissions and Records Office in Rancho, Chino, or Fontana, prior to the Last Day to Add for the course in question.
- If the Pass/No Pass option is elected, a letter grade cannot be issued after the Last Day to Add.
- Instructor must sign the Pass/No Pass request form.
- After the form is completed and signed by both the student and the instructor, the student must return to the Admissions and Records Office to register and pay for the course. The form must be submitted to the Admissions and Records Office prior to the Last Day to Add.

IT IS THE STUDENT’S RESPONSIBILITY TO READ AND UNDERSTAND THE INFORMATION POSTED BELOW

ADMINISTRATIVE PROCEDURES FOR IMPLEMENTATION OF PASS/NO PASS POLICY

- A student may switch his/her enrollment to Pass/No Pass status provided the change is completed prior to the deadline to add classes for the section number in question. Note: Short-term classes add deadlines vary - See Schedule of Classes for deadline information.
- A student may reverse his/her enrollment from Pass/No Pass status to receive an evaluative grade, provided the reversal is completed prior to the deadline to add classes for the section number in question. Note: Short-term classes add deadlines vary - See Schedule of Classes for deadline information.
- The fee for a Pass/No Pass class is the same as the enrollment fee.
- Students are advised that four-year schools may limit the number of Pass units acceptable for transfer. Major preparatory classes should never be taken on a Pass/No Pass basis.
- It is the student’s responsibility to meet with a counselor to see how this option may affect his/her educational goals.
- A maximum of 16 units of credit for optional Pass/No Pass courses may apply toward graduation requirements; this does not apply to courses offered on a Pass/No Pass Only basis.

NOTE: Pass means, “Passing” (at least satisfactory - units awarded not counted in GPA). No Pass means, less than satisfactory, or failing - units NOT counted in GPA.

(Rev.10/07/09)
RD (Report Delay)

Report Delay (or RD) is a temporary symbol used when there is a delay in reporting a final grade at the end of the grading cycle. If grades are not received by the deadline, an RD symbol is issued. RD’s are automatically converted to F’s if final grades are not received by the end of the following semester. Example: If an RD was issued in Fall 2008 and a final grade has not been received, the RD would be converted to an F grade at the end of the Spring semester 2009.

When final grades are not received by the posted deadline, an RD (report delay) symbol is populated in the student’s academic record and transcript. Faculty members are contacted to let him/her know that they must submit grade changes in person in the Admissions and Records Office for each student who received an RD symbol. Faculty members are then asked to complete Grade change forms for each RD before the grade can be changed in the Colleague system.
SUPPLEMENTAL GRADE FORMS

A supplemental grade form is required in the case where a student has attended the entire term and participated in finals, but due to an accidental drop the instructor is unable to issue a final grade online. The supplemental grade form allows Admissions and Records the ability to reinstate the student back into the class and manually enter a final grade as requested by the instructor.

INSTRUCTOR INITIATED DROPS
If the drop is initiated by the instructor, the supplemental grade form must be submitted by the instructor of record during the grading cycle at the end of the term, or within the two-year time limit for grade changes.

STUDENT INITIATED DROPS
If the drop is initiated by the student, the supplemental grade form must be submitted by the instructor of record during the grading cycle at the end of the term, or the student must submit a student petition for course credit within the two-year time limit for grade changes.
GRADE CHANGE INFORMATION
PERSONS RESPONSIBLE FOR CHANGING GRADES

Reference: Title 5, section 55025 and Chaffey College Administrative Procedure 4.6.13 Grade Changes

Who can change a grade? The instructor of record should be the only one who can change grades if he/she determines that a clerical error or error in calculation has been made. In the absence of error, incompetence or fraud, grades are final.

If the instructor of record is unavailable or cannot be located (in most cases these are adjunct faculty who are no longer working at Chaffey), the Instructional Coordinator can change grades on his/her behalf. Deans can also change grades, but they must have written consent from the instructor of record.

Grade Change forms: Students should contact the faculty member directly if they believe a clerical error or error in calculation was made. Once the faculty member verifies the final grade issued and determines that a clerical error or error in calculation has been made, he/she may come to the Admissions and Records Office in Rancho to complete a Grade Change form. The grade is available online within 3 days from the date the grade change was submitted.

NOTE: For security reasons, grade change forms are restricted forms and cannot be photocopied. These forms must be completed in the Admissions and Records Office at the Rancho Campus.
TWO-YEAR GRADE CHANGE POLICY

Students can request grade changes via a Petitions Process. The student has two-years following the semester in which the grade was recorded to request a change of grade.

Students have two (2) years following the semester in which a questioned grade was recorded to request a change of grade. The request must be done through a petition process. After the two-year limit, the grade is no longer subject to change.
GRADE CHANGE ADMINISTRATIVE PROCEDURE

(CURRENTLY UNDER REVIEW)

GENERAL INFORMATION
Instructors can change grades during the grading cycle up until the time final grades are verified at the end of the semester. In the absence of mistake, fraud, bad faith or incompetence, grades are final. (Title 5, Section 55760, EC 76224)

Grade Change by Instructor
After grades are verified, instructors are no longer permitted to change grades on MyChaffeyVIEW.

- If the instructor acknowledges an error was made in calculating the student’s grade, the instructor is asked to complete and sign a Grade Change Request form.
- The instructor must write a short explanation on the form explaining why a change of grade is necessary. No explanation is required if the instructor is changing an "I" grade due to the completion of work of an Incomplete Contract.
- The instructor’s signature is required on the form for auditing purposes.
- If the faculty member becomes aware of a grading error anytime during the Two-Year Time Limit Policy, he/she may change the grade by completing a Grade Change Form, with a short explanation of the error, to the Admissions and Records Office in Rancho.

Grade Change Requested by Student
If there is no evidence of a mistake, fraud, bad faith or incompetence, but a student wants to contest a grade, the instructor is to inform the student to file a petition in the Admissions Office. This is the only other way a student can request a possible change of grade.

- The student must request the Student Petition in the Admissions Office in Rancho, Chino, or Fontana
- After the student petition is submitted to the Admissions Office, the Petitions Committee conducts a thorough review of the student’s grade, attendance records and any other pertinent information.
- After the research is completed the Petitions committee will determine whether to recommend approval or denial.

APPROVAL Recommendation:
If the Committee recommends approval, the petition is forwarded to the instructor for final approval.

1. After the grade change is processed, the Admissions Office notifies the student in writing. Students may verify their final grade online within three (3) days from the date the grade change is processed.
2. If the instructor agrees with the Committee's recommendation and signs his/her name on the petition form, the grade is subsequently changed only by the Admissions and Records staff person who is responsible for the grading area. No other person in the Admissions Office has access to process a grade change except the Director of Admissions and Records.
3. If the instructor refuses to change the grade, the petition is automatically denied.
4. If the Committee initially recommends approval, but the instructor refuses to sign the petition, the Committee then reverses its initial position to "denial".

DENIAL Recommendation:
If the Committee denies the petition, the student is contacted immediately by the Admissions Office by phone and in writing. Petitions that are denied are not forwarded to the instructor.

Note:
- In accordance with our Two-Year Time Limit Policy, students must submit requests for grade changes within two years from the end of the semester for which the course in question was taken.
- The College Catalog indicates that "If a grade has been incorrectly added on a student's permanent record during computer services procedures, the error will be corrected."

CENSUS INFORMATION
Questions and Answers

1. When is the absolute deadline to submit my census drops for full-term classes?
   For both Spring and Fall semesters, the census due date falls on the Wednesday of the third week of instruction. (See below for information on short-term classes.)

2. Why do I need to drop students during the census period?
   Instructors must clear the rolls of inactive enrollment for attendance accounting purposes during the census period. During this period, instructors must drop students as no shows (DNW’s) or instructor drops (IDW’s).

3. What do the codes DNW and IDW stand for?
   **DNW** means that the instructor dropped the student on the web as a “no show” during the census period. **IDW** means that the instructor dropped the student on the web after the census period.

4. What are the consequences if I submit my census drops late or do not submit my census drops at all?
   The college receives apportionment, which it is not entitled to and it must be returned. Eligibility is seriously compromised for the following student groups:
   - **Financial Aid Students:** Over payments to students on financial aid are created. If students are dropped after the census period, they can legally keep the funds, but the college is responsible for reimbursing these funds to the federal government.
   - **International students:** Any change in enrollment status must be reported to SEVIS (Student & Exchange Visitor Information system) and Citizen & Immigration Services which is under Homeland Security.
   - **CalWORKs Students:** Students are under county contract to attend and complete specific classes and are tracked on a regular basis. If a student is not attending a class and is not dropped from the class during census, the student faces a sanction from the county for not adhering to his/her education plan. If a student is dropped, the CalWORKs office can contact the student, notify the county and assign the student to another approved activity avoiding sanction.
   - **Veteran Students:** If they are not dropped during census, an overpayment is automatically issued to the student. When it is determined that the student did not attend, the student must repay entitlement to the Department of Veterans Affairs. If student refuses to pay, it goes to collection. In addition, receiving a failing grade as a result of not being dropped, could affect a student’s probation status. This could also result in denial of future benefits.
   - **Athletic Eligibility:** The possibility of participation in a contest by an ineligible student-athlete due to late census submission that disqualifies that student-athlete for being under the mandatory enrollment and attendance of the student-athlete in 12 units; forfeiture of above-mentioned contest for competing with an ineligible athlete; impact on a student-athlete’s ability to be recruited by another institution because late submission of census may cause recruiter to be given incorrect transcript information; unofficial transcripts pulled to compute units/GPA information; impact on student-athletes receiving financial aid; status of academic probation.
5. **When can I start entering census drops?**
   
   Instructors can begin entering census drops online via Chaffey View beginning on the first day of instruction through Wednesday of the third week of instruction at 4:00 p.m.

6. **Once I submit my census drops, can I submit additional census drops?**
   
   Yes. You can drop students from class as frequently as needed as long as ALL census drops are submitted by Wednesday of the third week of instruction by 4:00 p.m.

7. **I have never used MyChaffeyVIEW to drop students. Do you have instructions?**
   
   Yes. Go to our website at www.chaffey.edu, select the Faculty button, and click on census drops and follow the directions.

8. **Are there training workshops that I can attend to help me learn more about the system?**
   
   Yes. You can contact Information Technology Services at (909) 652-6764 to schedule training. In addition, the Admissions and Records office has computers available for faculty use. The Admissions staff is also available to assist you at your request.

9. **Who should I contact if I need technical assistance?**
   
   Contact Information Technology Services at (909) 652-6789 and select Option #2.

10. **Am I required to submit census drops online?**
    
    Yes, this is the only option available. If you are unable to do so, please contact the Dean’s Office for special arrangements.

11. **If I have no census drops to report, must I still submit census?**
    
    Yes, you do. There is an option on MyChaffeyVIEW that states, “No Students to Drop”. Please click on this button if you have no students to drop.

12. **While processing census online, I accidentally dropped the wrong student. How can I add the student back into my class?**
    
    You can submit an Add Card to the Admissions Office with all the student information and your signature. You must check the reinstatement box so it can be processed accordingly.

13. **What happens if I submit my census drops late or if I don’t submit them at all?**
    
    For answers, refer to question #4

---

**SHORT TERM CLASSES**

If you are teaching a class that has an early or late start date (or short term class), refer to the Z drive and retrieve the document entitled Census Deadline Dates for your census drop deadline. Census Deadline Dates are also available in your dean’s office and the Admissions and Records office.
DROPS OR WITHDRAWALS

Drops or withdrawals can be done by an instructor or by the student online via MyChaffeyVIEW.

A student may drop or withdraw, only before 75% completion of the class. An instructor may also drop or withdraw a student for lack of attendance or for “good cause” as defined in the Education Code, Article 3, Section 76033, only before 75% completion of the class.

After census, students should not rely on instructors to drop or withdraw them from a class.

Dropping or Withdrawing within established deadlines:

- **Dropping without a W Grade**
  An Instructor/Student initiated drop, on or prior to 30% of the course or the fourth week (whichever is less), will result in no entry on the student’s permanent record for that class. However, the student is still responsible for payment of fees.

- **Dropping with a W Grade**
  An Instructor/Student initiated drop, after 30% of the course and on or before 75% of the course, will result in a W grade on the student’s permanent record for that class.

After 75% completion of class, students may not drop themselves, nor be dropped by an instructor. In addition, the instructor must issue the student a final grade.

Failure to officially drop or withdraw by the drop deadline may result in the assignment of an F (Failing) or FW (Unofficial Withdrawal) grade.

**Note:** Effective Fall 2009, instructors will receive notification of student drops by e-mail. Instructors must have a Chaffey College e-mail account to receive notification. If you do not have a Chaffey College e-mail account, contact the Human Resources Department.

**Process for instructor initiated Drop:**

- Log into My ChaffeyVIEW
- Select the Faculty Icon
- Select the drop action
- Access the appropriate class roster
- Select the appropriate action from the drop-down menu (i.e. DNW or IDW)
- Submit the drop
- Print updated roster (optional)
AUDITING

Auditing is permitted on a space available basis, solely at the discretion of the instructor.

Once audit enrollment is completed, no student will be permitted to change his/her enrollment to receive credit. Conversely, a student is not permitted to change his/her enrollment from credit to audit after the deadline to drop without a "W" grade. No course credit or grade is received for an audited class, nor does the college maintain any attendance or transcript records. Faculty members should keep into account two important factors before permitting audits: The fee for auditing classes is $15 per unit compared to $26 per unit for credit classes, and priority should be first given to students who are seeking enrollment to earn credit. The Audit Enrollment Form can be requested in the Admissions and Records Office in Rancho, Chino, or Fontana.

Process:
- Student must complete and sign the Audit Enrollment form which is available in the Admissions and Records Office.
- Instructor must complete and sign at the bottom of the Audit form.
- Student will not be permitted to change his/her enrollment from Audit to Credit.
- No student will be permitted to change his/her enrollment from Credit to Audit once the last day to drop without a W grade has passed.
- No credit will be received for auditing and the college does not maintain any attendance or transcript record for audited courses.
- Priority in class enrollment shall be given to student desiring to take the course for credit; therefore, enrollment for audit purpose will not be permitted until the start of the late registration period of each semester or term.
- The fee for auditing will be assessed at $15 per unit, plus any required materials fee.
- No refund will be permitted after enrolling, unless the College cancels the course.
- All parking regulations are enforced for all students.
Procedure to Audit Courses:
1. Student obtains Audit Enrollment Form from the Admissions and Records Office.
2. Student obtains permission and signature from instructor.
3. Student presents completed and signed Audit Enrollment Form to the Cashier’s Office and pays fees due.

REINSTATEMENTS

When instructors accidentally drop students during census or as instructor drops, they may request that the student be reinstated. To do so, the instructor must come in to the Admissions and Records office and request a Reinstatement/Add Card. The instructor must complete the section under Student Information, class information and check the “reinstatement” box. When the Admissions staff processes the reinstatement, they will verify in the system that the drop was an instructor-initiated drop.

Note: If it is determined that the drop was student-initiated, the faculty member cannot request a reinstatement without the student’s signature.

Reinstatements can be processed up to the last day to drop classes or by 75% completion of the class.

Process:
- Instructor requests a reinstatement/add card in the Admissions Office
- Complete the student information at the top of the form
- Mark the reinstatement box
- Enter the section and course number
- Sign and date the reinstatement card
  - If the student initiated the drop or withdrawal from the class section, the student must also sign the reinstatement add card
- Submit the reinstatement card to the Admissions Office for processing
NOTE TO INSTRUCTOR: If you are REINSTATING a student, you must sign the ADD CARD.

Refer to the Schedule of Classes for more information on dropping classes

STUDENT’S SIGNATURE: (Sign before submitting to Admissions)

IT IS THE STUDENT’S RESPONSIBILITY TO READ AND UNDERSTAND THE INFORMATION POSTED ON THE BACK OF THIS CARD

IMPORTANT NOTICE: You will not be permitted to add a class once the “Last Day to Add” has passed.

STUDENT RESPONSIBILITIES:

- You are 100% responsible for officially adding the class; NEVER assume the instructor can add you.
- You MUST be prepared to pay for your class at the time you add; Financial Aid/BOGW recipients MAY still owe fees. You will not be permitted to add a class once the “Last Day to Add” has passed.
- You are 100% responsible for knowing all registration deadlines and policies. Check the Schedule of Classes, MyChaffeyVIEW at www.chaffey.edu, or contact Admissions and Records at (909) 652-6600 for important dates and deadlines.
- You are 100% responsible for dropping a class; NEVER assume the instructor will drop you.
- Review your registration statement for accuracy before you leave the Admissions Office. Notify the person who assisted you if there are any errors or omissions.
- Keep your registration statement after adding or dropping classes as a receipt of your transactions.

YOU MAY NOT:

- Attend a class that you have NOT officially added (instructors CANNOT add you)
- Add beyond the “Last Day to Add” deadline as published in the Schedule of Classes
- Add a class for which you have not successfully met the pre-requisite
- Add a class if you have a previous/current academic or financial HOLD

You are advised NOT to purchase text books/materials for a class that does not appear on a current registration statement. Text books and class materials may not be 100% refundable after purchase. Check with the Bookstore for more information BEFORE purchasing books. The Bookstore’s phone number is listed in the Schedule of Classes.
