Student Right to Know and Campus Security Report  
October 2008

## **A Message from the Chief**

Welcome to Chaffey Community College!

I would like to welcome all new and returning faculty, staff, and students to Chaffey Community College. As members of the Chaffey campus community we all share the responsibility of maintaining a safe and healthy environment. Your safety while at Chaffey Community College is the primary concern of the Department of Public Safety.

The Chaffey Community College District Department of Public Safety is operational 24 hours a day, seven days a week, year round. There are trained police personnel that answer the phones 24 hours a day. There is always a police officer on duty that will respond to calls for assistance.

This brochure is available to the public to provide statistical information required by law. If you have questions or concerns regarding any information on this brochure, please contact the Department of Public Safety at (909) 652-6632, or come by the Public Safety building located in the Campus Center East.

Sincerely,

David H. Ramirez  
Chief of Police

## **Safety on Campus**

### **OUR COMMUNITY**

Chaffey Community College strives to:

- Create and maintain an environment for learning that promotes respect for and appreciation of scholarship, freedom, human diversity, and the cultural mosaic of the Inland Empire;
- Promote excellence in instruction and intellectual accomplishment and;
- Provide broadly accessible higher education for residents of the region and state, as well as the nation and the world.

The Department of Public Safety participates in delivering the Chaffey mission and strives to create a safe environment conducive to academic excellence. We understand that while crime is still a nationwide problem, it is decreasing both nationwide and at Chaffey Community College. Total crime has decreased at Chaffey 36% over the last three years. Even though the Department of Public Safety works closely with neighboring Police Agencies and employs security measures to reduce and prevent crime, we believe security is everyone's responsibility, and we need your assistance.

Chaffey is a community of more than 18,500 students located in the City of Rancho Cucamonga and areas of the County of San Bernardino. In addition to the main campus, Chaffey maintains several off campus locations around the Inland Empire. We maintain a collaborative and reporting relationship with the Police Agencies at these sites and we employ Campus Police Officers at these sites. We do stay in contact with the Police Agencies in these areas and will intervene if a security issue arises.

To minimize the number of criminal incidents, a professionally-trained campus police force, students, and members of the wider campus community participate in a number of shared responsibilities to insure that the students and their possessions are protected as much as possible. On occasion, you will see timely warning notices describing recent crime trends or dangerous incidents. Once all the relative information is received, these notices will typically be posted within 24 hours.

## **Jeanne Clery Disclosure of Campus Security Policy And Campus Crime Statistics Act Compliance**

The Department of Public Safety prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located on our web site at [www.chaffey.edu/public\\_safety/police\\_clery](http://www.chaffey.edu/public_safety/police_clery). You will also be able to connect to our site via the Chaffey Home page at [www.chaffey.edu](http://www.chaffey.edu). This report is prepared in cooperation with the Police agencies surrounding our main campus and our remote campuses, institutional services, Judicial Affairs Officer and the Division of Student Affairs. Each entity provides updated information on their educational efforts and programs to comply with the Act.

To comply with the act, we collect crime statistics from local police agencies, by providing the addresses of off campus property either owned, or controlled by the college, or public property immediately adjacent to campus. All local police agencies, where Chaffey property is located or is nearby, provide automated statistics for the property and a radius around the property requested. In September of every year, a postcard is mailed to all enrolled students, faculty and staff that provide the web site to access this report. Copies of the report may also be obtained at the Department of Public Safety at or by calling 909-652-6632. All prospective employees may obtain a copy from Human Resources in Administration, and the web site address will be attached to Chaffey Employment Applications. Directions to locate the report on the website are located in the class schedule and college catalog.

### **Access to Campus Facilities and Staff Keys**

Most campus buildings are open from 7:00am to 10:00pm. Students and staff members may be asked to produce positive identification to prove authorization to be in a specific area. Individuals that need to be in campus buildings or areas not during regular work areas should obtain approval from their supervisors and notify the Campus Police Department of their presence during those hours. Persons entering the campus without lawful business are subject to arrest for PC 602, Trespassing. Campus Police will unlock doors for weekend classes and other events as published in the facilities use schedule. It is the responsibility of those who use the classrooms, offices, and other areas to close and lock doors, turn off lights, and close windows. Operations and Police personnel will check many of the areas of the campus during off hours, but the primary responsibility for security lies with the user.

Keys are provided to individual staff members on a need to enter basis as determined by the appropriate supervisor. Lost keys must be reported immediately to the supervisor and the Campus Police. Payment for lost keys may be required. Keys should never be loaned to other staff members or students. Campus Police Officers will confiscate any keys which have not been specifically issued to a particular individual. Duplication of district keys is not permitted.

### **College Property**

No district property may be removed from the campus without an expressed written permission from the department dean or supervisor. Unauthorized removal of district property from the campus is a violation of the law and may be prosecuted.

### **Maintenance and Security of Campus Facilities**

The Maintenance, Operations, and Grounds Departments, along with Campus Police combine efforts to enhance the district's maintenance and security programs. Exterior doors on campus are secured each evening by the Campus Police. Building alarms are activated and monitored by the Campus Police and private alarm companies. Grounds staff routinely trim trees, and bushes to reduce potential safety hazards. Lighting is checked daily. Security hardware problems are reported during continuous inspections by Campus Police Officers and repaired as soon as possible. All members of the campus community can report maintenance/security issues by calling 909-652-6632, or filling out on line a Hazardous or Unsafe Condition Report at [www.chaffey.edu/public\\_safety/hazard\\_form](http://www.chaffey.edu/public_safety/hazard_form).

### **Security Policies & Procedures**

The Department of Public Safety will secure all buildings by 11:00 P.M. on weekdays and by 5:30 P.M. on weekends. We recognize that there will be some need for after hour and weekend access to buildings with department approval. After hours, a faculty or staff I.D. is required. Anyone working late or on weekends should notify the Department of Public Safety.

The campus facilities are maintained by Maintenance Operations and patrolled by the officers of the Department of Public Safety. The police officers and police cadets regularly test the emergency phones and submit work orders for repair, recommend the trimming of shrubbery for safety reasons and conduct periodic lighting surveys. Officers report the need for replacement of lights and any other physical hazards they notice. Periodic crime prevention surveys are conducted when a crime trend occurs or upon the physical changes of office space and equipment when requested by an administrator. All campus buildings are equipped with alarms that report to the Department of Public Safety. Many offices, labs, computer rooms and areas of campus have alarms.

Lighting improvements are constantly being evaluated. Improvements have included the placement of high intensity lights in buildings, in parking lot areas, in areas with heavy landscaping and trees, and along pathways frequently traveled by students. Outdoor courtesy telephones are located at many locations throughout the campus. All emergency telephones are connected directly to the Department of Public Safety.

## **Department of Public Safety Your Community Policing Agency**

The Chaffey College Department of Public Safety, located in the Campus Center, near the Bookstore, coordinates campus safety and security. The department has a force of 15 sworn officers with full arrest powers and 16 non-sworn support employees. These police officers are graduates of a California Peace Officers Standards Training Academy and undergo continued training at the San Bernardino County Sheriff's, Advanced Officer Center to upgrade their skills. All sworn employees have been trained in first aid and CPR. Campus Police Officers are authorized to enforce all federal and state law, regulations on the college campus and the immediate radius per section 830.32 of the California Penal Code. They are authorized to enforce traffic, and parking regulations on District campuses. In some instances police powers extend statewide. Campus Police officers are armed with firearms. They conduct foot, vehicular and bicycle patrols on campus 24-hours a day. Campus Police officers also work very closely with the San Bernardino County Sheriff's Department and other local, state and federal law enforcement agencies to assist them with incidents involving campus community members that may occur off campus.

Potential criminal actions and any emergency on campus, including medical emergencies, should be reported directly to the Department of Public Safety by dialing campus extension x6911 or 911. Upon receipt of the call, Police officers are dispatched immediately to the site of the complaint and have the authority to make arrests if necessary.

### **Student Discipline**

Students may be expelled, suspended or placed on probation for committing violent or criminal acts on campus or at campus-related events. In compliance with federal and state laws and regulations, victims of violent crimes, including sexual assault, are to be informed whenever information regarding disciplinary action taken by the college is included in a student's file. Within three days victims are to be informed of the results of the disciplinary action and any appeal. The victim is required to keep the results of the disciplinary action and appeal confidential. For further information, contact the Student Judicial Affairs Officer in the Vice President for Student Services Office by calling 909-652-6506.

## **Hate Crimes**

"Hate violence" as defined in the statute "means any act of physical intimidation or physical harassment, physical force or physical violence, or the threat of physical force or physical violence, that is directed against any person or group of persons because of the ethnicity, race, national origin, religion, sex, sexual orientation, disability, or political/religious beliefs of that person or group". Incidents of hate violence can be reported to the Department of Public Safety, Counseling and Psychological Services, and the Student Affairs Office. The College does not condone hate violence and is charged with ensuring that the rights guaranteed by state law and the U.S. Constitution are protected for all people regardless of their ethnicity, race, national origin, religion, sex, sexual orientation, disability, or political/religious beliefs.

## **Alcohol, Drugs and Weapons Policies**

Campus Police officers enforce laws regulating the use of alcoholic beverages and underage drinking. Chaffey is committed to maintaining a safe and healthy environment for the college community. Alcohol and other drugs should not interfere with the College's educational mission. All Chaffey students, faculty members, staff members, and administrators are subject to local state and federal laws regarding the unlawful possession, distribution, or use of alcohol or illegal drugs.

The unlawful manufacture, distribution, dispensing, possession or use of illegal drugs on the College campus or at any College-sponsored event off campus is prohibited. No one may use illegal substances, or abuse legal substances, including alcohol, in a manner which impairs performance of assigned tasks. Excessive use of alcohol and other drugs is a serious health problem in itself, but alcohol and drug abuse can also contribute to a host of other physical and mental health problems such as unwanted pregnancy, violent behavior, HIV infection and other sexually transmitted diseases and psychological depression.

The use of alcoholic beverages must be in compliance with California State Law and is strictly limited to persons 21 years of age or older. The possession, transportation, and/or consumption of alcohol by individuals less than 21 years of age is strictly prohibited. Alcoholic beverages may not be consumed on College property.

The Department of Public Safety strictly enforces Federal and State laws, as well as the College's zero-tolerance policy, for the use and sale of illegal drugs. Violators are subject to college discipline, and/or criminal prosecution. Students engaging in the sale of illegal drugs will be expelled. Students found in violation of College alcohol, drug and weapons policies may be subject to academic probation, suspension or expulsion. Parents or guardians may be notified about any disciplinary violation involving alcohol or a controlled substance, which has been committed by a student who is under the age of 21.

Employees in violation of the College alcohol and drug policies may be subject to corrective action or dismissal or be required to participate fully in an approved counseling or rehabilitation program. Applicable legal sanctions under local, State and Federal law for the unlawful possession or distribution of illicit drugs and alcohol range from probation, diversion, imprisonment in the county jail for less than one year, to imprisonment in State Prison. A police officer can take the license from any driver suspected of driving under the influence of alcohol and drugs who refuses to take a blood alcohol test.

Firearms, knives, and other dangerous weapons of any kind are not permitted on campus or off-site centers. Intentional use, possession, or sale of firearms, knives or any other dangerous weapon is strictly prohibited on a school campus by State law.

The Department of Public Safety strictly enforces Federal and State laws, as well as the College's zero-tolerance policy, for the possession or use of any weapon on campus. Violators are subject to college discipline, and/or criminal prosecution. Students in possession of any weapon can be expelled. Students found in violation of College alcohol, drug and weapons policies may be subject to academic probation, suspension or expulsion. Parents or guardians may be notified about any disciplinary violation involving a weapon, which has been committed by a student who is under the age of 18.

## **Sexual Assault Policy**

Chaffey recognizes that sexual assault is a serious issue, and will not tolerate acts of sexual assault on campus. The College will investigate all allegations of sexual assault and take appropriate disciplinary, criminal, or legal action, with prior consent of the victim.

As soon as convenient, the victim of a sexual assault should report the incident, including date or acquaintance rape to the Department of Public Safety, the local police (if off-campus), college faculty or staff members. The victim should make every attempt to preserve any physical evidence of the assault. This may include a voluntary medical exam, not showering, or disposing of any damaged clothing, or other items that are present after/during the assault.

The Campus Police, with the victim's consent, will immediately conduct a criminal investigation of a reported sexual assault. Disciplinary actions may be imposed on recognized individual students, student organizations, and/or college faculty and staff found responsible for a sexual assault. College sanctions following campus disciplinary procedures depend on the outcome and may range from suspension to expulsion. Every effort will be made to criminally prosecute perpetrators of sexual assaults. The accuser and the accused are entitled to the same opportunities to have others present during a campus disciplinary proceeding and both shall be informed of the outcome of the proceeding.

After an alleged sexual assault incident occurs, the college will assist the victim in changing academic situations if so requested and if such changes are reasonably available.

**If you become the victim of a sexual assault on or off campus:**

- **GET** to a safe place
- **CONTACT** the Department of Public Safety (or your local police if off campus)
- **DO NOT** shower, bathe, douche, change or destroy clothing
- **DO NOT** straighten up the area
- **SEEK** medical attention

## **Victim Assistance Programs**

Chaffey Community College District promotes a program of information, advocacy, and support of victims of crime on campus. The Campus Police Department conducts full investigations on all crimes and will provide you with needed reports. California has a network of programs and resources available to help victims of Crime Resource Center (1-800-VICTIMS) to obtain additional assistance.
