HYBRID / ONLINE

FALL 2017 HYBRID CLASSES

Beginning and ending dates are listed for all classes.
Class offerings, particularly instructor assignment and room numbers, are subject to change without notice.

HYBRID CLASSES

Hybrid classes are a combination of online and classroom instruction, with at least 50% of the instruction held in the classroom. All hybrid classes meet on-campus during the first week of the class, during which important information about the class – including access instructions for the online instruction – is provided. Students should check the schedule of classes for the designated date, times and location of the first week’s meeting and all subsequent on-campus meetings. Students in hybrid classes are expected to attend all class meetings as well as fully participate in the online portion of the instruction.

REGISTERING FOR HYBRID CLASSES

Students register for hybrid courses using the same registration process used for on-campus courses. See the Registration area for more information.

ENROLLED STUDENTS

Students must have officially enrolled in the hybrid class via MyChaffeyVIEW or in person, and have a Chaffey Registration Receipt that indicates they have both registered and paid for the course.

HYBRID CLASS WAITLISTS

The waitlist process for hybrid classes is the same as it is for face-to-face classes; see page 12. Students waitlisted, or hoping to add a hybrid class after the waitlists close, should attend the first class meeting. If there is room in the class, the instructor will provide an add code to be used to register into the class. Students who add a hybrid class after instruction has begun will be able to access the online component of their class one to two business days after they have completed the registration process in MyChaffeyView.

FALL 2017 ONLINE CLASSES

Beginning and ending dates are listed for all classes.
Class offerings, particularly instructor assignment and room numbers, are subject to change without notice.

ONLINE CLASSES

Online classes are attended exclusively on the internet; there are no campus meetings. However, some online classes do require specific dates or times for interactive internet class activities. Instructors provide details of these and other requirements in the course syllabus.

REGISTERING FOR ONLINE CLASSES

Students register for online courses using the same registration process used for on-campus courses. For more information, see www.chaffey.edu/admissions/registration.shtml.

ENROLLED STUDENTS

Students are officially enrolled in an online course when they have completed the online registration process on MyChaffeyVIEW or in person, and have a Chaffey Registration Receipt that indicates they have both registered and paid for the course.

ONLINE CLASS WAITLISTS

The waitlist process for online classes, prior to the beginning of the semester, is the same as for face-to-face classes; see www.chaffey.edu/admissions/registration.shtml for more information. After the close of registration, waitlisted students should email the instructor as soon as possible to indicate their interest in adding. The email to the instructor should include the following information: student's full name, student ID number, position on waitlist, and the name and section number of the course. Faculty email addresses can be found on the Employee Directory page of the Chaffey College website (<http://www.chaffey.edu/contacts/index.php>).

ADDING AN ONLINE CLASS

Students wishing to add an online class after registration closes or after the class start date should email the instructor as soon as possible. The email to the instructor should include the following information: student's full name, student ID number, position on waitlist (if applicable), and the name and section number of the course. Faculty email addresses can be found on the Employee Directory page of the Chaffey College website (<http://www.chaffey.edu/contacts/index.php>).

If the instructor is able to add you to the course, they will email you an authorization code. This code will allow you to register for the course.

Students who register for an online class after instruction has begun, will be able to access the course on Moodle one to two business days after they have completed the registration process in MyChaffeyView.
