

HYBRID AND ONLINE DISTANCE EDUCATION

CANVAS AND MOODLE

As of Fall 2017, Chaffey College began using Canvas Course Management System in addition to Moodle. During Fall 2018, the College will continue use of both systems. Students may confirm the location of their hybrid or online class by referring to their class schedule. Canvas classes will indicate a building and room location of INET-C. If a class is on Moodle, the building and room location for the class will reflect INET-M. Alternatively, students may also review this information within the Online Class List on the Distance Education (DE) website at http://libguides.chaffey.edu/distance_ed/schedule.

STUDENTS CAN ACCESS CANVAS AND MOODLE USING THE LAUNCHPAD IN THE MY CHAFFEY PORTAL. STUDENTS REGISTERED PRIOR TO INSTRUCTION ARE GRANTED ACCESS ON THE FIRST SCHEDULED DAY OF CLASS.

ARE YOU READY FOR DISTANCE EDUCATION LEARNING?

To learn more about Chaffey's hybrid and online classes and determine if your learning style is compatible with this type of format, visit the Distance Education (DE) website at http://libguides.chaffey.edu/distance_ed/students. Additional information about the course management systems as well as some of the online tasks that might be required in a hybrid or online course is also available.

INFORMATION REGARDING REGISTRATION, THE WAITLIST/ADD PROCESS, INITIAL INSTRUCTOR CONTACT, AND ONLINE ACCESS APPEARS ON THE HYBRID AND ONLINE PAGES TO FOLLOW.

WHAT ARE THE TECHNICAL REQUIREMENTS?

Students considering a hybrid or online class should have easy and regular access to a personal computer with the following minimum capabilities:

- Access to the internet through DSL, cable, FIOS or other high speed connection
- Use of a major browser such as Microsoft Internet Explorer / Edge, Firefox, Google Chrome, or Safari
- Operating systems: Windows, Mac OSX, or Android
- An active Chaffey Panther e-mail account
- Ability to view PowerPoint presentations
- Ability to view and create Word documents, or .rtf files

Some online classes may require the following:

- Ability to download and listen to audio files
- Ability to view streaming video

FALL 2018 HYBRID CLASSES

*Beginning and ending dates are listed for all classes.
Class offerings, particularly instructor assignment and room numbers, are subject to change without notice.*

HYBRID CLASSES

Hybrid classes are a combination of online and classroom instruction, with at least 50% of the instruction held in the classroom. All hybrid classes meet on campus during the first week of the class, during which important information about the class, including how to access the online instruction, is provided. Students should refer to the schedule of classes for the designated date, time, and location of the first week's meeting and all subsequent on-campus meetings. Students in hybrid classes are expected to attend all class meetings as well as fully participate in the online portion of the instruction.

REGISTERING FOR HYBRID CLASSES

Students register for hybrid classes using the same process as classes held exclusively on campus. See the Registration portion of the Schedule of Classes on page 11 or visit <https://www.chaffey.edu/admissions/registration.shtml> for more information.

HYBRID CLASS WAIT LISTS

The wait list process for hybrid classes is the same as for classes held exclusively on campus. See page 12 or visit www.chaffey.edu/admissions/registration.shtml for more information.

OBTAINING A HYBRID CLASS ADD CODE

Students wait listed, or hoping to add a hybrid class after the wait list closes, should attend the first class meeting. If the instructor is able to accept additional students, the instructor will provide the student with an add code allowing the student to register for the class.

ENROLLED STUDENTS

Students are officially enrolled in a hybrid class when they have completed the registration process via MyChaffeyVIEW or in person and have a Chaffey Registration Statement indicating they have both registered and paid for the class. Students who complete this process prior to instruction are granted access through the appropriate course management system on the first scheduled day of the class. Students who add a hybrid class after instruction has begun are granted access one (1) business day after they complete the registration and payment process. Login information may be found on the Distance Education (DE) website at http://libguides.chaffey.edu/distance_ed/students.

FALL 2018 ONLINE CLASSES

Beginning and ending dates are listed for all classes.

Class offerings, particularly instructor assignment and room numbers, are subject to change without notice.

ONLINE CLASSES

Online classes are attended exclusively on the internet; there are no campus meetings. However, some classes do require specific dates or times for interactive online activities. Instructors provide details of these and any other requirements in the course syllabus.

REGISTERING FOR ONLINE CLASSES

Students register for online classes using the same process as classes held on campus. See the Registration portion of the Schedule of Classes on page 11 or visit <https://www.chaffey.edu/admissions/registration.shtml> for more information.

ONLINE CLASS WAIT LISTS

Prior to the class start date, the wait list process for online classes is the same as for classes held on campus; see page 12 or visit www.chaffey.edu/admissions/registration.shtml for more information.

OBTAINING AN ONLINE CLASS ADD CODE

Students wait listed, or hoping to add an online class after the class start date, should email the instructor as soon as possible to indicate their interest in adding. The email to the instructor should include the following information: student's full name, student ID number, the course name, the class section number, and position on waitlist (if applicable). Faculty email addresses can be found by selecting the instructor from the Online Class List on the Distance Education website at http://libguides.chaffey.edu/distance_ed/schedule. If the instructor is able to accept additional students, the instructor will email the student an add code allowing the student to register for the class.

ENROLLED STUDENTS

Students are officially enrolled in an online class when they have completed the registration process via MyChaffeyVIEW or in person, and have a Chaffey Registration Statement indicating they have both registered and paid for the class. Students who complete this process prior to instruction are granted access through the appropriate course management system on the first scheduled day of the class. Students who register for an online class after instruction has begun, are granted access one (1) business day after they have completed the registration and payment process. Login information may be found on the Distance Education website at http://libguides.chaffey.edu/distance_ed/students.

CANVAS AND MOODLE

As of Fall 2017, Chaffey College began using Canvas Course Management System in addition to Moodle. During Fall 2018, the College will continue use of both systems. Students may confirm the location of their hybrid or online course by referring to their class schedule. Canvas courses will indicate a building and room location of INET-C. If a course is on Moodle, the building and room location for the course will reflect INET-M. Alternatively, students may also review this information within the Online Course List on the Distance Education (DE) website at http://libguides.chaffey.edu/distance_ed/schedule.
