Recorder: Theresa Rees

The following documents were distributed: Accreditation Eligibility Requirements, Chaffey College Accreditation Recommendations from 1998, 2004 and 2010, Summary of Planning Agendas, and the Accreditation Manual Table of Contents. A copy of the new standards is not available yet. Sherrie will forward them when they are available.

Sherrie welcomed everyone to the meeting and distributed the meeting agenda from the October 24th meeting. This meeting was held for the committee members who were unable to attend that meeting and new members who were assigned to sub-committee groups at the last meeting. The group was advised that the Accreditation Team site visit will be the 1st or 2nd week of March, 2016. An overview of the Accreditation process was given and a brief review of the new accreditation standards was explained. Sherrie explained the strategy for completing the self-evaluation as discussed at the previous meeting and asked for volunteers from the group to serve on the established sub-committees. She urged the volunteers to contact their respective committee members to find out when their subcommittee meets.

The following additions were made:
