Achievements & Community Contributions by Classified Professionals

Denise Gomez, Administrative Assistant II, Child Development Center/Classified Senate Senator.
Denise graduated on Saturday, April 18, 2015, from the University of Redlands, School of Business with a Bachelor’s of Science degree in Business Administration.

Trisha Albertsen –Accountant, Budgeting & Fiscal Services.
Trisha has been elected as Southeast 3 Area Representative for the California Community College Classified Senate which includes: Barstow College, Chaffey College, College of the Desert, Copper Mountain College, Crafton Hills College, Moreno Valley College, Mt. San Jacinto College, Norco College, Riverside Community College, San Bernardino Valley College, and Victor Valley College. This is a two-year term and runs from June 2015 – June 2017. Trisha will share information from Southeast 3 to 4CS, between 4CS and other statewide organizations, and from 4CS to area colleges and their classified staff. This can be accomplished by sharing newsletters, visiting the colleges, attending the 4CS meetings, volunteering to work on 4CS committees, and being available to speak with area colleges. 4CS is a great organization, yet young compared to other statewide groups. It needs members that care about the quality of services provided by the community college system and it needs members dedicated to the mission of 4CS.
